

The book cover features a dramatic illustration. A person with long dark hair, wearing a striped shirt and jeans, stands on the peak of a dark, jagged rock. They are looking up at a massive, swirling, golden-yellow cloud formation that resembles a giant figure-eight or infinity symbol in the sky. The sky is a deep blue with some lighter clouds. The ocean is visible in the background, and a small patch of green grass is at the base of the rock.

Forever Isle Adam Lindsley:

The Forever Isle Adam Lindsley, 2015-12-15 The car crash changed everything Pulled from the wreckage horribly scarred and minus an eye Elsa Batiste now lives on a tiny island in the middle of Puget Sound with only her boring parents four quirky neighbors and her cat to keep her company At least there s no danger of getting in another crash here But something s wrong on this seemingly peaceful island haven Maybe it s the strange symbols on the rocks that only she can see Or the way her neighbors have started acting even more peculiar than usual The night when Elsa happens to see an attack on sweet old Ms Raven seals the deal something is definitely up on Rogue Island Oddly enough no one seems to care about the incident but Elsa Certainly not her parents who think she imagined the whole thing And her neighbors even sweet old Ms Raven assure her that everything is absolutely positively fine nothing to worry about thank you very much Determined to prevent a second attack Elsa begins an investigation that unravels a fiercely protected secret kept safe on the island for centuries The deeper she digs into the mystery the scarier and weirder it gets and the discovery of Rogue Island s astonishing true nature leaves Elsa faced with the most important decision of her young life No matter what choice she makes there is no going back
