Encountering the Great I Am Judy Jacobson, 2018-07-05 Did you know that God has a divine name He told Moses This is my name forever and thus I am to be remembered throughout all generations So what happened Why do most people only know God by his titles of God Father and Lord instead of by his true name What happened to the command that God was to be remembered by his name for all generations What you will realize is that the Israelites referred to God by his true name from the time God his name to Moses until the silent years the time between the Old Testament and New Testament Discover the mystery of why God's name went missing along with the Ark of the Covenant Sacred Fire Shekinah Glory Spirit of Prophecy and the Urim and Thummim What did these elements all have in common What you will find out is they were all communication tools that God used to speak to his people He took them away hoping his children would long to hear his voice so that when his Son Jesus came into the world they would be ready to finally listen Take a journey with me through the history of God's divine name and discover how God has communicated with his children throughout the ages and how he continues to speak to us today What you will discover is that with God's name comes EVERYTHING
