*The Devil's Therapy* Wendie Webber, 2021 What does the devil have to do with hypnosis The Devil's Therapy uses a Grimm's Fairy Tale to illustrate a complete system for facilitating effective Regression to Cause Hypnotherapy The main character is a soldier who has left the battlefield He is struggling with how to meet important needs When conventional solutions fail to give him back control of his life he wanders into unfamiliar territory where he meets a little man This little man just happens to be the devil The devil promises to help the soldier resolve his problem for good But to achieve a lasting result the soldier must agree to The Contract The devil always requires a Contract The soldier must agree to follow instructions and do the work necessary to achieve the desired result If he doesn't he will continue to suffer Worse he could even lose his life What's this got to do with hypnosis Every client who comes to you has a problem he can't fix But hypnosis is unfamiliar territory for most people As a result they don't seek out the help of a hypnotherapist until they have tried everything else By the time they find you they're desperate because nothing else has worked They don't teach you this in hypnosis school but when it comes to working with real client there's always going to be uncertainty That's because no two clients are ever alike Real clients have real problems They seldom follow instructions And the one place you need them to go to get a lasting result is the one place the client definitely does not want to go Real clients don't pay for hypnosis They pay for results If you're trained in Regression to Cause Therapeutic Hypnosis this book is for you The Devil's Therapy Hypnosis Practitioner's Essential Guide to Effective Regression Hypnotherapy will show you how to Get rid of the guesswork Get clear Grow your confidence Turn your hypnosis sessions into healing programs Get clear Get confident Get results that last If you're an Omni Hypnosis 5 PATH or RTT practitioner this may be just what you have been looking for The Devil's Therapy will help you to better understand the concepts and methods you already have so that you can use them more effectively in your sessions with clients Discover the Why behind the How To of Regression to Cause Hypnosis This practical
