Forgotten Power The Significance Of The Lords Supper In Revival:

Forgotten Power William L. De Arteaga, 2002 A study of how and why the sacramental elements especially the Lord's Supper give stability to revivals Thematic Expressions for the Lord's Supper Paul A. Hansen, 2023-04-20 Thematic expression of communion is a book designed to do two things First it challenges us to rethink a memorial understanding of the supper which equips us to consider celebrating the feast more frequently Second this book provides a wealth of information on themes that can be pursued and how to pursue them and make them live for members of the congregation

Contemporary Pentecostal Christianity J. Kwabena Asamoah-Gyadu, 2013-01-11 Pentecostalism is the fastest growing stream of Christianity in the world The real evidence for the significance of Pentecostalism lies in the actual churches they have built and the numbers they attract In Africa Pentecostalism has virtually become the representative face of Christianity with even historic mission denominations pentecostalising their otherwise formal liturgical structures to survive This work interprets key theological and missiological themes in African Pentecostalism by using material from the live experiences of the movement itself An important source of primary material for instance is the popular books written by the leadership of contemporary Pentecostal churches and their media programs An example of this is that on account of its motivational hermeneutics the Eagle rather than the Dove has become the preferred symbol of the Holy Spirit in this nascent dynamic movement The interpretation of themes from contemporary African Pentecostalism in this book reveals much about how as a contemporary movement it is reshaping African Christian spirituality in the 21st century **The Great Tradition - A Great Labor** Philip Harrold, D H Williams, 2012-05-31 At a recent conference entitled Ancient Wisdom Anglican Futures theologians from across the denominational spectrum considered the question What does it mean to inhabit the Great Tradition authentically As an expression of what C S Lewis called Deep Church Anglicanism offers a test case of Tradition with a capital T in late modernity Of particular interest is the highly dynamic transmission that has preserved a recognizable Anglican Way over the centuries The process has been enlivened through constant negotiation and exchange with surprising convergences that have brought new life and direction The contributors to this volume show how profitable and commodious as Richard Hooker has said the Great Tradition can be innurturing the worship communal life and mission of the Church But it often demonstrates how hard it is to uphold the varied integrities of historic faith in the contemporary marketplace of religion and especially among evangelicals who continue to follow the Canterbury Trail **Beyond the Half-Way Covenant** David Paul McDowell, 2012-06-07 Almost everyone has heard of Jonathan Edwards but very few are familiar with Solomon Stoddard Edwards's grandfather Stoddard was an influential force in New England Puritanism often referred to as the Pope of the Connecticut Valley of western Massachusetts He was a powerful preacher who saw five possibly six revivals during his fifty eight year pastorate in Northampton Yet he has often been marginalized because of his very unique view of the Lord's Supper as a converting ordinance This book explores Stoddard's view of Communion as compared to the changing face of

Puritanism reflected in the Half Way Covenant and in the context of his passionate desire to convert the sinner by any means at his disposal He believed that God was so gracious and sovereign that no one could judge whether a person was elect or not Consequently he crafted an evangelical theology based upon the preaching of the gospel and viewed the Lord s Supper as another form of preaching for the conversion of sinners Watching God Work Carolyn Koontz DeArteaga,2014-04-30 Watching God Work is the story of a woman who loved God but did not believe in miracles and how she was pulled into a supernatural relationship with Him Carolyn now sees God as the One who heals performs miracles and gives gifts of the Spirit to all who seek Him **Interfaces Baptists and Others** David Bebbington,2014-07-08 The book is a collection of twenty one essays discussing how Baptists throughout the world have related to other Christians and to other institutions and movements over the centuries The theme of this collection of twenty one essays Baptists and Others includes relations with other Christians and with other institutions and movements What the authors ask has been the Baptist experience of engaging with different groups and developments The theme has been explored by means of case studies some of which are very specific in time and place while others cover long periods and more than one country In the first half the contents are arranged by period The first section examines early Baptists the second nineteenth century Baptists in Britain and America and the third Baptists in the twentieth century The second half turns to various parts of the world There is a section on Australia another on New Zealand and a third on Asia and Africa The overall picture is one of a complicated series of relationships as Baptists defined themselves as different from other bodies and yet especially in the twentieth century tried to co operate in mission and ecumenical endeavour Baptists are often regarded as enthusiastic separatists and unenthusiastic ecumenists These essays based on hard evidence rather than passing impressions are a necessary correction to superficial prejudices and show the reality to be much more complex and nuanced as well as varied over time and place The book is a smorgasbord of delights Yet readers should avoid the temptation to pick and choose from the menu ensuring rather that each offering is digested so they enjoy a balance and nutritious meal Derek Tidball *Christian Movements in Southeast Asia* Michael Nai-Chiu Poon,2010 **American Book Publishing Record** ,2002 **Christian Nation** ,1925 *Journal of the ...
