Forgotten Saved Loved A Werewolf Story:

Forgotten, Saved, Loved Samuels, 2016-11-24 The war that happened three years ago was not one that was won but one that had just begun Comrade the guardian was lost that day When he ran into the forest no one from his pack ever saw him again Now disillusioned and void of any hope Comrade is just a shadow of what he used to be Three years of torture and solitude made him doubt everything and everyone he believed in even the ones he loved the most Alex a young werewolf was a survivor of that day Much like Comrade she knows the horrors of the war all too well It tore her family to shreds but it did little to dull her brave soul Craving for a chance to avenge her parents she volunteers to help rescue a man she has never met Just when Comrade thought no one s coming for him she does Unbeknownst to him help is coming Comrade was forgotten or so he thought Will Alex and the pack finally find him Can he still be saved What will heal his deep seated scars Better yet what will happen when the two kindred souls meet Lost in Willipaq Rob Hunter, 2008-09 Forays into the Fantastic Sci Fi and Fantasy Slipstream and Magical Realism Previously published stories by the author You are invited to browse the complete compendium of lovers losers and part time demons I m glad to have you as a reader Enjoy The Werewolf's Pack Dennis McGarry, 2024-11-01 Enter the perilous world of The Werewolf s Pack an enthralling collection of interconnected tales that delves deep into the lives and struggles of lycanthropes This anthology showcases the pack s relentless battles against a diverse array of supernatural threats from a cunning horde of animated zombies requiring strategic counter attacks to insidious demons tempting young wolves with forbidden power and paranoia Journey alongside characters like Elara a unique badger familiar aiding a witch and alpha in unlocking ancient prophecies or Elias a historian uncovering the haunting memory of a tragic werewolf ghost The narratives also explore profound themes within the pack itself a young werewolf s discovery that a monstrous creature might merely be corrupted sparking a re evaluation of ingrained prejudices a vampire s centuries long quest for release from immortality aided by an unlikely werewolf ally and the insidious family curse that chips away at a werewolf s humanity with each moon demanding a fierce fight for self preservation and memory From ancient texts holding forgotten magic to confronting a decaying intelligent zombie linked to a terrifying syndicate The Werewolf s Pack is a thrilling exploration of loyalty sacrifice internal struggle and the enduring strength found in unity even in the face of overwhelming darkness *The lost Goddess and her mysterious Alpha* lovelyfan, Hmm Rhea is it Nice name I froze as I heard the husky voice and I felt tremors running down my spine I slowly raised my head and met the bluest eyes I had ever seen Bluer than the ocean So blue that they seemed to twinkle like twin pools of sapphire I ran my eyes over his entire figure He was wearing a suit but didn t look like the typical businessmen For one thing he was not clean shaved and had a five o clock shadow on his face And I couldn t figure out if his hair was stylishly messed up or he just didn t bother to do anything with it at all Either way it looked good Too good And those lips I was brought out of my fantasies when those oh so kissable lips turned up into a smirk Uh huh I bit my lips trying to bring myself out of the lust

filled haze I was falling into There was just something about him something so magnetic that I was losing all control of my thoughts There seemed to be an aura of power and danger surrounding him If I didn't know any better the one word I would say was otherworldly but I knew better and just stopped myself in time from uttering the words What are you From the day she woke up without memories two years ago Rhea had always thought she was a normal human girl What happens when she realises she was never a human but a goddess Suddenly her once boring life becomes all too exciting when she finds herself in the middle of Gods demons and a mysterious wolf protector Add a handsome stranger whom she can't seem to get her mind away from Rhea is in for a lot more than she bargained for
