A Fortnight in Ireland (Classic Reprint) Francis Bond Head, 2016-11-02 Excerpt from A Fortnight in Ireland At the expiration of my fortnight s holiday with notes before me of the little I had seen heard and read unbiassed by the counsels of any one in pure retirement and almost in solitude for rather more than a month I alternately ruminated and wrote and in the words of Mr Weller s graphic history of his courtship and of Sammy s origin this Volume I honestly confess is the comeloom of the manoeuvre About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Fortnight** ,1997 *Reflections on the Classical Canon in Economics* Evelyn L.

Fighting for Ireland? M.L.R. Smith, 2002-11-01 Fighting for Ireland is the first in depth account of the evolution of Irish Republican strategy It is highly topical in the light of the faltering peace process and the growing speculation over the IRA s next move further violence or a new non violent strategy This new updated paperback edition is essential reading for those who wish to disentangle the complex issues and motives behind IRA violence M L R Smith challenges many assumptions about the IRA pinpointing the organisation s successes as well as its missed opportunities He demonstrates the tension the movement has experienced between ideology and strategic reality regarding the use of force illustrating how doctrinal purity has sometimes hampered the IRA in the pursuit of its goals Contrary to the Irish Republican movement s vigorous and assertive public face Smith uncovers an organisation characterised more by a sense of chronic insecurity than by certainty and continuity *The Fortnightly Review* ,1880 **The Little Book of the Great Enchantment** Steve Blamires, 2013 William Sharp 1855 1905 was a prolific writer friend and confidant to the literati of the day an active member of the occult world of the late Victorian period and a man who spent his life cloaked in layers of secrets the most important being that he was the pen behind the writings of the mysterious Fiona Macleod He kept her true identity a closely guarded secret Many famous people W B Yeats AE MacGregor Mathers Dante Gabriel Rossetti were involved in Sharp s short life he was a member of the Hermetic Order of the Golden Dawn and Yeats secret Celtic Mystical Order and he and Fiona Macleod were involved

with the mysterious Dr Goodchild whose ancient bowl was proclaimed by many to be the Holy Grail But the enduring legacy of these two fascinating writers is the wealth of Faery magical lore contained in the writings of Fiona Macleod For the first time this book reveals previously unknown secrets from the life of William Sharp and shows clearly how to recover the Faery lore contained in Fiona Macleod s literary output These writings are not only about the Realm of Faery they are the first authentic first hand accounts from the Realm of Faery revealing previously unknown Faery gods and goddesses Faery belief lore and magic The Little Book of the Great Enchantment adds significantly to the corpus of serious writings on this greatly misunderstood subject
