

The background of the cover is a painting of a dense, misty forest. In the foreground, three people are sitting on the ground around a small fire, warming themselves. To their left is a simple, conical tent. In the background, a large, dark rock formation looms on the right. In the center of the background, a faint, spectral figure of a person stands amidst the trees and mist. The overall atmosphere is mysterious and eerie.

Bailey, 2017-10-12 Jacob Murray finally has what he wanted almost He is still tired from a war that has dragged on close to seven years He desperately wants to get home but he has his obligations He finally has Maggie by his side only as fate has it heartbreak is always around the corner The French are desperate as well Hope is fading after losing their prized walled city Now the unforgiving Canadian winter stands in their way The river connecting them to France will sit frozen for the next six months keeping them in their winter quarters until the spring thaw Winter in 1760 Quebec City is wrought with death disease and depleted food supplies The victorious British garrison is burdened with repairing a bombed city weakened defenses and a local population who despise their presence The threat of a French counterattack looms yet running out of fire wood is a far more serious fate Trapped in a city with no hope no food and an enemy bent on liberating it from British hands Trapped by snow and ice in one of the most inhospitable places on earth and trapped by his responsibilities Jacob prays for a quick end to the war so he can finally return home with his family A traitor the vengeful French army and personal tragedy complicates his efforts but Jacob Murray is determined to make his Last Run WWW

Thomas Bailey, 2016-03-21 Enemies come in many forms and they are not always what you think Jacob Murray has learned that lesson but it haunts him once again The tides of the war have finally changed and the British are beginning to gain ground over their French adversaries The French sit within the walled city of Qu bec waiting for their enemy Jacob and Maggie are still apart separated by thousands of miles of unfamiliar wilderness Despite this adversity they each seek a way to find what remains of their family Faced with her own challenges Maggie finds unlikely friendship and assistance from what she believed were her enemies Following an opportunity to track down her son she journeys to Qu bec City where she finds a city preparing for a siege from the British army who are

determined to end the war Jacob faces his own challenges and finds he is often forced to fight not only his enemies but also those who should be his allies Blind Faith tells the story of deserters a country controlled by the church and the walled city that holds many secrets

Heights of Hell S. Thomas Bailey, 2015-05-13 Years of British led failures have taken its toll on Jacob Murray Standing alone amidst the aftermath of yet another unfathomable defeat his thoughts turn north to his wife Maggie and the perilous gulf of wilderness that stands between them like the French abbitas at Fort Carillon He would pack his grief and exhaustion and head north with his son James if not for the cruel unyielding attention of a British officer bent on his ruin For the time being he fights back his longing and bides his time while the trails slowly shed their winter cover and waits for an opportunity to present itself Meanwhile Maggie is forced to rely on the kindness of a French priest to keep her safe while she still searches for her family The sudden chance arrival of three French brothers changes her course She now entrusts her life to a stranger as they decide to head north The fifth novel in the award winning series The Gauntlet Runner Heights of Hell is a fast paced story that plunges readers into the vast unexplored forests of 1758 New York and the doomed defeat of another British army Experience the courage of the Black Watch the near death of the vaunted Robert Rogers and the raw emotion consuming both Jacob and Maggie as their paths seemingly moves them in the opposite direction WWW THEGAUNTLETRUNNER1754.COM

Heights of Hell S. Thomas Bailey, 2015-05-12 The Gauntlet Runner tells a tale of fractured lives broken treaties and the stark realities of the struggles faced by early American settlers as they risk their lives to cultivate the young formidable nation

Shades of Death S. Thomas Bailey, 2013-04 With the events of the past year freshly engraved in his mind Jacob Murray lies in wait just a stone s throw from a French outpost in the midst of the western Pennsylvania wilderness Having teamed up with the two young men who helped his wife escape her Huron captors he waits for any sign of Maggie or the French merchant who purchased her A straightforward plan for ambush soon goes awry and Jacob and Joshua are separated from Maggie and One Ear the latter pair heads towards Canada the former for Fort Duquesne While Maggie s efforts to escape and avoid French captivity lead to unexpected encounters with the native tribes of New York and Canada including the great Ottawa leader Pontiac Jacob himself is taken captive by the French With Joshua s help he is able to escape but life as a deserter is very dangerous especially when the British army is amassing nearby under the watchful eye of Major General Edward Braddock Jacob and Maggie Murray long for their peaceful life on the homestead in Pennsylvania but with two great countries and their native allies battling over the Ohio Valley their wishes must remain ungranted at least for now
