CLAN SHIFTER SERIES Let's hear it for the mate bond WHEW What an ALPHATASTIC story And WOW I don't know how my
tablet didn't melt Goodreads review Ann Gimpel does a great job of making the characters speak like they are in the correct
time period The story was credible of its era She also set a good foundation for the series explaining the relevance of the
hunters and the lack of mates Goodreads review This story is super HOT and it kept me intrigued through each and every
chapter I love Ann's writing style and Alice's Alphas definitely did not disappoint Highly recommend this steamy shifter tale I
was intrigued to read something from this time period and wasn't disappointed I found myself several times looking up things
like flashlights cars and phones out of curiosity This is the first book I've read by this author and it won't be the last I liked
