Forever In Time:

Forever in October Joey Cortijo, 2012-08-25 A story about a young man named Jake who has been evicted from his grimy city apartment. He sets out to find a new and quiet town to start over in. Strange things happen in this town and keep happening until Jake isn't sure if he has lost his mind. The character is eventually admitted into a mental hospital where he is told he had made up the town and everyone in it for months walking around the halls of the institution. He finds a way to keep going back to the world he supposedly created by being aggressive towards the staff so that they will inject him. When he falls asleep, he is back in the town. This book has a really colorful group of characters while their surroundings are dark and gloomy. People really love this story. They say it reminds them of an adult *Coraline*, a Tim Burton influence. **Forever in My**

in Love with Jesus Kathy Troccoli, Dee Brestin, 2012-06-18 Imagine that you are visiting one of the world's great art museums. As you enter, you are told that the curators have two exciting exhibits on loan: one inspired by the prophet Hosea, the other inspired by the apostle John. To your amazement, as you wander through the two galleries, you see the same brilliant portraits in each exhibit. In both galleries, Jesus appears as the Bridegroom, the Redeemer, and the Great I AM. The Christ hidden in the Old Testament is now revealed in the New Testament. Fall more deeply in love with Jesus as you behold these brilliant portraits and be transformed into the woman you long to be. *Forever in Love with Jesus* will be accompanied by the simultaneous release of an in-depth workbook that has additional insights and questions for personal and group study.
