Forex Conquered High Probability Systems And Strategies For Active Traders:

Forex Conquered John L. Person, 2007-04-18 Praise for FOREX CONQUERED In this amazing book John covers it all From trading systems to money management to emotions he explains easily how to pull money consistently from the most complicated financial market in the world John packs more new innovative information into this book than I have ever seen in a trading book before Rob Booker independent currency trader John Person is one of the few rare talents that are uniquely qualified to help traders understand the process of successful trading With today's markets becoming increasingly challenging John has cut right into the essentials and brought forward the much needed tools of forex trading This clear and well organized publication is a major step forward in helping traders gain an edge I would highly recommend **Forex Conquered** as a valuable handbook for both aspiring and experienced traders alike Sandy Jadeja Chief Market Analyst and Editor London Stock Exchange London England **Forex Conquered** is a bold title but this book delivers the tools needed for successful forex trading There is no fluff here just the wisdom of a trading veteran that I have always respected and followed Michael Kahn Editor Quick Takes Pro market letter and Columnist Barron's Online This is a wonderful in depth view into the explanation of technical analysis and prudent money management guidelines in the forex market Blake Morrow President 4X Made Easy **Forex Conquered** is a meaningful contribution to the growing number of books on forex trading John Person provides a professional view of forex trading that readers will be able to use as a guide for strategies and tactics that work The scope of the book covers more than forex and includes salient aspects of futures and option trading It should be read and then re read Abe Cofnas President Learn4x.com Note CD ROM DVD and other supplementary materials are not included as part of eBook file **The Forex Trading Course** Abe Cofnas, 2015-06-18 EXPERT DEPENDABLE FOREX COACHING UPDATED TO KEEP YOU AHEAD IN AN EVOLVING MARKET The **Forex Trading Course** is the systematic guide aspiring traders need to enter the market with the confidence and skills necessary to generate wealth Masterfully written so both basic and complex concepts are readily accessible this all inclusive training tool outlines a practical course of action to develop strategies integrating fundamental and technical analysis It also demonstrates how to identify high probability patterns and trades adjust your trading plan for different account sizes use emotional intelligence to improve trading performance and much more This second edition is fully revised to address changes brought about by quantitative easing and central bank intervention including greater spikes and disruptions in the forex and the influence of global growth and inflation on the market Using binary options with forex trades to make accurate predictions on direction targets and stops Social media trading and how to navigate herding behavior and swarming patterns The latest insights and trends in cryptocurrencies such as Bitcoin Complete with practice assignments to reinforce the material and a supplemental website to enhance your knowledge The **Forex Trading Course Second Edition** unlocks your optimal potential for profitable currency trading

Mastering the Stock Market John L. Person, 2012-12-10 Noted technical analyst John Person outlines a comprehensive

method to pinpointing today's best trading opportunities The economy and stock market are heavily influenced by seasonal factors For example a strong holiday buying season tends to be bullish for retail stocks or rising energy costs hurt airline profitability Awareness of seasonal trends in both the economy and stock market can put you in a better position to profit from sectors and stocks that are likely to outperform the overall market And technical tools can then be used to confirm emerging trends and time entries into these stocks and sectors Mastering the Stock Market provides authoritative insights into a method for trading stocks based on seasonal trends sector analysis and market timing Taking a top down approach the book explains how seasonal supply demand forces impact commodities and different sectors of the stock market After learning how to identify stock market sectors and commodity ETFs that are ripe for a big move you'll quickly discover how to use technical analysis to gauge the strength of the sector or commodity and then identify the strongest stocks and ETFs to trade Along the way you'll also learn how to use the author's own indicators Persons Pivots to identify support resistance areas and pinpoint optimal entry and exit points Outlines a proven technical approach for trading stocks based on seasonal trends sector analysis and market timing Breaks new ground in comparative relative strength trading volume breadth indicators and utilizing pivot analysis in conjunction with options expiration days to identify trading opportunities Written by noted technical analyst John L. Person To successfully trade today's markets you need to use a proven approach and have the discipline to effectively implement it Mastering the Stock Market has what you need to achieve these goals and capture consistent profits along the way
