Fortunes Fool The Life Of John Wilkes Booth:

Fortune's Fool Terry Alford, 2015-03-17 When John Wilkes Booth assassinated President Abraham Lincoln at Ford's Theatre his friends were stunned not only by the murder but by the thought that someone they knew as fantastically gifted successful and kind hearted could commit such a crime Fortune's Fool the first biography of Booth ever written is the life story of this talented and troubling individual **Abe** David S. Reynolds, 2021-09-28 Now an Apple TV documentary Lincoln's Dilemma One of the Wall Street Journal's Ten Best Books of the Year A Washington Post Notable Book A Christian Science Monitor and Kirkus Reviews Best Book of 2020 Winner of the Gilder Lehrman Abraham Lincoln Prize and the Abraham Lincoln Institute Book Award A marvelous cultural biography that captures Lincoln in all his historical fullness using popular culture in this way to fill out the context surrounding Lincoln is what makes Mr Reynolds's biography so different and so compelling Where did the sympathy and compassion expressed in Lincoln's Second Inaugural With malice toward none with charity for all come from This big wonderful book provides the richest cultural context to explain that and everything else about Lincoln Gordon Wood Wall Street Journal From one of the great historians of nineteenth century America a revelatory and enthralling new biography of Lincoln many years in the making that brings him to life within his turbulent age David S Reynolds author of the Bancroft Prize winning cultural biography of Walt Whitman and many other iconic works of nineteenth century American history understands the currents in which Abraham Lincoln swam as well as anyone alive His magisterial biography Abe is the product of full body immersion into the riotous tumult of American life in the decades before the Civil War It was a country growing up and being pulled apart at the same time with a democratic popular culture that reflected the country's contradictions Lincoln's lineage was considered auspicious by Emerson Whitman and others who prophesied that a new man from the West would emerge to balance North and South From New England Puritan stock on his father's side and Virginia Cavalier gentry on his mother's Lincoln was linked by blood to the central conflict of the age And an enduring theme of his life Reynolds shows was his genius for striking a balance between opposing forces Lacking formal schooling but with an unquenchable thirst for self improvement Lincoln had a talent for wrestling and bawdy jokes that made him popular with his peers even as his appetite for poetry and prodigious gifts for memorization set him apart from them through his childhood his years as a lawyer and his entrance into politics No one can transcend the limitations of their time and Lincoln was no exception But what emerges from Reynolds's masterful reckoning is a man who at each stage in his life managed to arrive at a broader view of things than all but his most enlightened peers As a politician he moved too slowly for some and too swiftly for many but he always pushed toward justice while keeping the whole nation in mind Abe culminates of course in the Civil War the defining test of Lincoln and his beloved country Reynolds shows us the extraordinary range of cultural knowledge Lincoln drew from as he shaped a vision of true union transforming in Martin Luther King Jr's words the jangling discords of our nation into a beautiful symphony of brotherhood Abraham Lincoln did not come out of nowhere But if

he was shaped by his times he also managed at his life's fateful hour to shape them to an extent few could have foreseen Ultimately this is the great drama that astonishes us still and that Abe brings to fresh and vivid life The measure of that life will always be part of our American education Northern Duty, Southern Heart H. Leon Greene, 2023-05-03 Before the Civil War George Proctor Kane had been a businessman thespian political appointee philanthropist and militiaman During the war as Baltimore's chief of police he harbored the divided loyalties familiar to the border states Southern in his sentiments yet Northern in his allegiances As the city's top lawman he sought to reform Baltimore's Mobtown image He ensured that President elect Lincoln passing through on the way to his inauguration was not assassinated He protected Union troops marching to defend Washington D C He was eventually imprisoned as a Southern sympathizer denied habeas corpus as his captors transferred him from prison to prison This book recounts Kane's enigmatic public life before and during the Civil War his Confederate activities after prison and his return to serve as mayor of Baltimore Theatre History Studies 2016, Vol. 35 Sara Freeman, 2016-12-06 Essays in part one of Theatre History Studies Vol 35 address theatrical production in very specific historical contexts among them German theatre from the rubble of Berlin and German nationalist mass spectacles Essays in part two are devoted to the theme of Rethinking the Maternal in contemporary and historical theatre Also included is the Robert A Schanke Award winning essay Whispers from a Silent Past Inspiration and Memory in Natasha Tretheway's Native Guard a keynote essay by Irma Mayorga and eighteen reviews of new book publications of note Theatre History Studies published since 1981 by the Mid American Theatre Conference MATC is a leading scholarly publication in the field of theatrical history and theory The conference encompasses the states of Illinois Iowa Nebraska Kansas Missouri Minnesota North Dakota South Dakota Wisconsin Indiana Michigan and Ohio The purpose of the conference is to unite persons and organizations within the region with an interest in theatre and to promote the growth and development of all forms of theatre
