Plaintiff in Chief James D. Zirin, 2019-09-24 A comprehensive analysis of Donald Trump's legal history reveals his temperament methods character and morality Unlike all previous presidents who held distinguished positions in government or the military prior to entering office Donald Trump's political worldview was molded in the courtroom He sees law not as a system of rules to be obeyed and ethical ideals to be respected but as a weapon to be used against his adversaries or a hurdle to be sidestepped when it gets in his way He has weaponized the justice system throughout his career and he has continued to use these backhanded tactics as Plaintiff in Chief In this book distinguished New York attorney James D Zirin presents Trump's lengthy litigation history as an indication of his character and morality and his findings are chilling if you partner with Donald Trump you will probably wind up litigating with him If you enroll in his university or buy one of his apartments chances are you will want your money back If you are a woman and you get too close to him you may need to watch your back If you try to sue him he's likely to defame you If you make a deal with him you had better get it in writing If you are a lawyer an architect or even his dentist you'd better get paid up front If you venture an opinion that publicly criticizes him you may be sued for libel A window into the president's dark legal history Plaintiff in Chief is as informative as it is disturbing

TV Guide, 2006

Green Bay Packers William Povletich, 2012-08-22 On the field legends like Don Hutson Ray Nitschke and Brett Favre made the Green Bay Packers into a professional football powerhouse But the history of the NFL's only small town franchise is as much a story of business creativity as gridiron supremacy Behind every Packer who became a legend on the field there was an Andrew Turnbull Dominic Olejniczak or Bob Harlan leaders whose dedication and creativity in preserving the franchise were unwavering Green Bay Packers Trials Triumphs and Traditions tells the improbable story of professional football's most iconic team and along the way gives a unique window into the rise of modern professional sports As the NFL has evolved into a financial juggernaut the Green Bay Packers with more than 112 158 stockholders stand alone as the only professional sports franchise owned by fans thus providing the only public record of how a sports team is run Featuring more than 300 photographs some never before seen Green Bay Packers illustrates how the most creative team in sports is also one of the most successful with names like Lambeau Canadeo Lombardi Hornung Holmgren and White leading the way to a league best thirteen NFL titles and twenty one Hall of Fame inductees This comprehensive up to date history of the Packers includes the 2011 season
