The Bible in History Robert B. Waltz, The Bible in History A study of the history folklore and occasionally even the mathematics underlying the Bible A sort of dictionary of scholarly material you likely won t find elsewhere Dedicated to Elizabeth Rosenberg Patricia Rosenberg and Catie Jo Pidel Please understand that this is not a Biblical commentary Also while I try very hard to avoid actual theological discussions the work is very much based on external evidence the manuscripts of the Bible the evidence of other historical records the findings of science the folklore about the Bible Some of this can be offensive to some particularly those who try to find exact literal truth in the Bible I hope you will accept it or else not read it in that light If you are still interested there is a lot of historical background about the Bible here not always direct links to the Bible but the context of the nations among whom the Israelites lived There is no Biblical mention of say Nabopolassar of Babylon but his actions would deeply influence Judean history Knowing even a little of that history can help understand the Bible Also where there are variant readings in the manuscripts of the Hebrew Bible or the New Testament I note it This may mean that we are uncertain what the Bible says and hence what it means I try either to recover the original meaning or in some cases to assess the meanings of both readings And then there are the tidbits of science and folklore and anything else I can think of The result is a grab bag Some parts may be useful some may not The idea is to browse and see what strikes your fancy With luck you ll understand more about the Bible after doing so **A History of the New California, Its Resources and People** Leigh Hadley Irvine,1903 Brief biographies of prominent and influential people in California in the late 19th and early 20th century With many portraits Webster's New Explorer Encyclopedic Dictionary ,2006 A comprehensive list of 330 000 words in the English language and their definitions also includes separate sections listing biographical Biblical mythological and geographical names a handbook fo style synonyms and antonyms and a pronunciation guide *The Two Worlds* ,1926 **History of Littleton, New Hampshire: Annals** James Robert Jackson,George Clarence Furber,1905 A Short History of the English People J.
