*History and Theory of Compromise* Jan-Hendryk de Boer,Manon Westphal,Julia Mariko Jacoby,Karsten Mause,Stefan Zeppenfeld,2025-11-17 Interest in compromise has recently grown both in public and scholarly debates However there is a lack of interdisciplinary dialogue on the topic This volume fills this gap by bringing together contributions from various relevant disciplines They show that compromise has been a central technique to regulate social and political conflicts in different contexts In a compromise the conflicting parties create an agreement by making mutual concessions but do not give up their original claims Therein lies the capacity of compromise to prevent or end escalated conflicts even in situations in which disagreements cannot be transformed into a consensus In addition to theoretical investigations of the concept the volume includes case studies on Europe in the Middle Ages in the 19th and 20th centuries and on pre modern and contemporary Japan The overarching question is about the preconditions of compromises The authors examine the role of compromise in diplomacy politics trade economics and everyday life Together they generate a comprehensive picture of the capacities and limitations of compromise in the past and today **CTRL HATE DELETE** Cécile Simmons,2025-03-18 How did Johnny Depp and Amber Heard s divorce become the centre of the anti MeToo backlash Why have so many teen boys fallen under the thrall of Andrew Tate a failed reality show contestant And why are a growing number of influencers like tradwives dressing up like 1950s housewives and preaching total subservience to men In the years since MeToo the largest
