International Bestseller Space Opera:

The Space Opera Renaissance Kathryn Cramer, David G. Hartwell, 2007-07-10 From two acclaimed editors comes the best ever anthology of science fiction's most vigorous subgenres the space opera Space opera once a derisive term for cheap pulp adventure has come to mean something more in modern SF compelling adventure stories told against a broad canvas and written to the highest level of skill Indeed it can be argued that the new space opera is one of the defining streams of modern SF Now World Fantasy Award winning anthologists David G Hartwell and Kathryn Cramer have compiled a definitive overview of this subgenre both as it was in the days of the pulp magazines and as it has become in the 2000s Included are major works from genre progenitors popular favorites and modern day pioneers **Governor** David Weber, Richard Fox, 2021-06-01 For more than fifty years the Terran Republic and the Terran League have been killing one another The death toll has climbed ever higher year after year with no end in sight But the members of the Five Hundred the social elite of the Republic's Heart Worlds don't care Rear Admiral Terrence Murphy is a Heart Worlder His family is part of the Five Hundred His wife is the daughter of one of the Five Hundred's wealthiest most powerful industrialists His sons and his daughter can easily avoid military service and political power is his for the taking There is no end to how high he can rise in the Republic's power structure All he has to do is successfully complete a risk free military governorship in the backwater Fringe System of New Dublin without rocking the boat But the people sending him to New Dublin have miscalculated because Terrence Murphy is a man who believes in honor Who believes in duty in common decency and responsibility Who believes there are dark and dangerous secrets behind the facade of what everyone knows Terrence Murphy intends to meet those responsibilities to unearth those secrets and he doesn't much care what the Five Hundred want He intends to put a stop to the killing Terrence Murphy is coming for whoever has orchestrated fifty six years of bloodshed and slaughter and Hell itself is coming with him At the publisher's request this title is sold without DRM Digital Rights Management About The Gordian Protocol Tom Clancy esque exposition of technical details absurd humor and bloody action Echoes of Robert Heinlein lots of exploding temporal spaceships and bodies action packed Booklist A fun and thrilling standalone from Weber and Holo Time travel enthusiasts will enjoy the moral dilemmas nonstop action and crisp writing Publishers Weekly [Veiled Alliances](#) Kevin J. Anderson, 2011-12-01 Based on the legendary science fiction series The Saga Of Seven Suns [Veiled Alliances](#) is a revelatory prequel in which long term fans will discover the origin of the green priests on Theroc the first Roamer skymining operations on a gas giant planet the discovery of the Klikiss robots entombed in an abandoned alien city the initial Ildiran expedition to Earth the rescue of the generation ship Burton and the tragedy that led to sinister breeding experiments In this volume the human race begins its expansion into outer space only to discover that for centuries a multitude of other races has already been interacting on a cosmic scale Eleven exploratory ships carrying humans escaping a degenerating Earth are discovered by a more advanced space faring civilization the Ildaran Empire The empire helps the

refugees by now the several generations later offspring of the original voyagers settle suitable planets and sends diplomats with a few of them to Earth to establish trade and diplomatic relations Meanwhile both Terran and Ildaran authorities bring hidden agendas to their first contact discussions and as Earth attempts to become a player in this new arena its ambassadors are thrust into a foreign world of alien life forms backstabbing politics bitter feuds and a deadly struggle to become the supreme force in the universe

Rebel David Weber, Richard Fox, 2024-09-03 Book two in David Weber and Richard Fox's Ascent to Empire series HE NEVER WANTED TO BE A REBEL The Five Hundred the elite families who rule the Terran Federation control its political power and its wealth and they've grown steadily wealthier and more powerful thanks to the war against the Terran League War may be hard on the people who get caught in its path but it's very good for business in the short term and the Five Hundred own the shipyards that build the Navy's ships They own virtually all the industry that produces the weapons and material the war consumes so voraciously and they've made damn sure someone else does the dying True there are a few flies in the Five Hundred's ointment There's the growing hatred and resentment of the Fringe Worlds whose children do eighty percent of the dying in the Five Hundred's war But the Five Hundred have made sure the Fringe knows what will happen to any system that goes out of compliance There are the lunatic conspiracy nuts who insist that the alien Rishathan Sphere is secretly aiding the League's military but the Five Hundred have forced them to keep their mouths shut where it matters And then there's Terrence Murphy a man of honor who loves the Federation who springs from the Five Hundred yet knows it for what it is and is determined to speak for its victims But the five hundred have dispatched ample force to deal with him and his handful of lunatic followers Unfortunately the Fringe has paid enough of its children's lives and it no longer cares what may happen if it dares to defy the Five Hundred Worse the lunatic conspiracy nuts were right and the Rish have planned carefully for the Federation's destruction And worst of all the Five Hundred have fatally underestimated Terrence Murphy At the publisher's request this title is sold without DRM Digital Rights Management Praise for Governor The authors pack the story with both the specs of far future fighting machines and the hypercompetent duty driven warriors who crew them Fans of old school military sci fi should check this out Publishers Weekly Praise for The Gordian Protocol Tom Clancy-esque exposition of technical details absurd humor and bloody action Echoes of Robert Heinlein lots of exploding temporal spaceships and bodies action packed Booklist a fun and thrilling standalone from Weber and Holo Time travel enthusiasts will enjoy the moral dilemmas nonstop action and crisp writing Publishers Weekly Praise for David Weber a balanced mix of interstellar intrigue counterespionage and epic fleet action with all the hard and software details and tactical proficiency that Weber delivers like no one else along with a large cast of well developed believable characters giving each clash of fleets emotional weight Booklist moves as inexorably as the Star Kingdom's Grand Fleet commanded by series protagonist Honor Harrington Weber is the Tom Clancy of science fiction His fans will relish this latest installment Publishers Weekly This entry is just as exciting as Weber's initial offering The result is a fast paced and action packed story

that follows our characters as they move from reaction to command of the situation Weber builds Shadow of Freedom to an exciting and unexpected climax The Galveston County Daily News Weber combines realistic engaging characters with intelligent technological projection and a deep understanding of military bureaucracy in this long awaited Honor Harrington novel Fans of this venerable space opera will rejoice to see Honor back in action Publishers Weekly This latest Honor Harrington novel brings the saga to another crucial turning point Readers may feel confident that they will be Honored many more times and enjoy it every time Booklist everything you could want in a heroine Excellent plenty of action Science Fiction Age Brilliant Brilliant Brilliant Anne McCaffrey Compelling combat combined with engaging characters for a great space opera adventure Locus Weber combines realistic engaging characters with intelligent technological projection Fans of this venerable space opera will rejoice Publishers Weekly

Space Opera Catherynne M. Valente, 2018-04-10 2019 HUGO AWARD FINALIST BEST NOVEL The Hitchhiker's Guide to the Galaxy meets the joy and glamour of Eurovision in bestselling author Catherynne M Valente's science fiction spectacle where sentient races compete for glory in a galactic musical contest and the stakes are as high as the fate of planet Earth A century ago the Sentience Wars tore the galaxy apart and nearly ended the entire concept of intelligent space faring life In the aftermath a curious tradition was invented something to cheer up everyone who was left and bring the shattered worlds together in the spirit of peace unity and understanding Once every cycle the great galactic civilizations gather for the Metagalactic Grand Prix part gladiatorial contest part beauty pageant part concert extravaganza and part continuation of the wars of the past Species far and wide compete in feats of song dance and or whatever facsimile of these can be performed by various creatures who may or may not possess in the traditional sense feet mouths larynxes or faces And if a new species should wish to be counted among the high and the mighty if a new planet has produced some savage group of animals machines or algae that claim to be against all odds sentient Well then they will have to compete And if they fail Sudden extermination for their entire species This year though humankind has discovered the enormous universe And while they expected to discover a grand drama of diplomacy gunships wormholes and stoic councils of aliens they have instead found glitter lipstick and electric guitars Mankind will not get to fight for its destiny they must sing Decibel Jones and the Absolute Zeroes have been chosen to represent their planet on the greatest stage in the galaxy And the fate of Earth lies in their ability to rock
