Academy and they're more challenging than anything I've ever faced in my life. Surviving the Academy means brutal training, advanced magic, and a bloodthirsty student who is developing a dangerous hunger for my power. Worst of all, it's clear someone knows my secret. And they have my father locked away. Deep in the rubble of an ancient ruin, we find evidence of a ritual. One we don't fully understand, but one which most definitely involves me in some way. And as time runs out, we have to find out who's behind this before they kill everyone I love. The traps are set. The clock is ticking. And I absolutely must save my father before he's slaughtered. God help whoever dares hurt him. I'm not the weak, naive girl I was when I came to Blackbriar. My magic has never been stronger, and I've never had more control. I don't care if I risk going dark. I'll do whatever it takes to save the only family I have left. Or die trying.

The Trials of Blackbriar Academy: an Academy Fantasy Romance Adventure Series

Olivia Ash, 2019-05-31

An academy reverse harem fantasy romance series. I shouldn't be here, and everyone knows it. Blackbriar Academy is an enchanted school on a magical island, and everyone wants in. It's a home away from home for the most advanced mages in the world, and only the absolute best of the best are given an invitation. By some freak accident, I managed to get one. If I pass the trials, I get to stay. With nowhere else to go, Blackbriar is my one shot at having a real life, and I won't let anyone take this from me. But there's a catch. It turns out the people on this island are being trained to hunt the darkness, basically they're being trained to hunt me. To survive, I have to hide what I am. As a half-mage, I shouldn't have any magic at all. And yet, my natural abilities are almost impossibly powerful and incredibly illegal. Over history, magic like mine has corrupted the souls of those who were born with it. They've all gone dark, razing towns and murdering hundreds of thousands throughout history. All but me, and I have no idea why. As the trials get more and more challenging, it's clear I'm being hunted. If I'm caught, I die. At Blackbriar Academy, nothing is ever as it seems, but I have nowhere else to go. Nothing, and no one will stand in my way. The Trials of Blackbriar Academy is a full-length novel with a badass heroine, a riveting storyline, and an alternative relationship dynamic that supports our badass heroine's right to choose more than one man. Get ready for a heart-pounding story filled with an academy fantasy romance unlike anything you've read.
