## Space Opera Award Winning:

*The Space Opera Renaissance* Kathryn Cramer, David G. Hartwell, 2007-07-10 From two acclaimed editors comes the best ever anthology of science fiction's most vigorous subgenres the space opera Space opera once a derisive term for cheap pulp adventure has come to mean something more in modern SF compelling adventure stories told against a broad canvas and written to the highest level of skill Indeed it can be argued that the new space opera is one of the defining streams of modern SF Now World Fantasy Award winning anthologists David G Hartwell and Kathryn Cramer have compiled a definitive overview of this subgenre both as it was in the days of the pulp magazines and as it has become in the 2000s Included are major works from genre progenitors popular favorites and modern day pioneers *The Space Opera Renaissance* David G. Hartwell, Kathryn Cramer, 2006-07-11 The best ever anthology of one of science fiction's most vigorous subgenres

*Historical Dictionary of Science Fiction in Literature* M. Keith Booker, 2014-10-01 The Historical Dictionary of Science Fiction in Literature is a useful reference to the broad and burgeoning field of science fiction literature Science fiction literature has gained immensely in critical respect and attention while maintaining a broad readership However despite the fact that it is a rapidly changing field contemporary science fiction literature also maintains a strong sense of its connections to science fiction of the past which makes a historical reference of this sort particularly valuable as a tool for understanding science fiction literature as it now exists and as it has evolved over the years The Historical Dictionary of Science Fiction in Literature covers the history of science fiction in literature through a chronology an introductory essay and an extensive bibliography The dictionary section has over 300 cross referenced entries including significant people themes critical issues and the most significant genres that have formed science fiction literature This book is an excellent access point for students researchers and anyone wanting to know more about this subject **Books and Beyond** Kenneth Womack, 2008-10-30

There's a strong interest in reading for pleasure or self improvement in America as shown by the popularity of Harry Potter and book clubs including Oprah Winfrey's Although recent government reports show a decline in recreational reading the same reports show a strong correlation between interest in reading and academic achievement This set provides a snapshot of the current state of popular American literature including various types and genres The volume presents alphabetically arranged entries on more than 70 diverse literary categories such as cyberpunk fantasy literature flash fiction LGBTQ literature graphic novels manga and anime and zines Each entry is written by an expert contributor and provides a definition of the genre an overview of its history a look at trends and themes a discussion of how the literary form engages contemporary issues a review of the genre's reception a discussion of authors and works and suggestions for further reading Sidebars provide fascinating details and the set closes with a selected general bibliography Reading in America for pleasure and knowledge continues to be popular even while other media compete for attention While students continue to read many of the standard classics new genres have emerged These have captured the attention of general readers and are also playing

a critical role in the language arts classroom This book maps the state of popular literature and reading in America today including the growth of new genres such as cyberpunk zines flash fiction LGBTQ literature and other topics Each entry is written by an expert contributor and provides a definition of the genre an overview of its history a look at trends and themes a discussion of how the literary form engages contemporary issues a review of the genre's critical reception a discussion of authors and works and suggestions for further reading Sidebars provide fascinating details and the set closes with a selected general bibliography Students will find this book a valuable guide to what they're reading today and will appreciate its illumination of popular culture and contemporary social issues
