Global Citizenship A Path To Building Identity And Community In A Globalized World:

Global Citizenship-A Path to Building Identity and Community in a Globalized World Ron Israel,2012-02-06 This book is intended to help readers learn about the principles and practices of global citizenship it contains stories and examples of ways in which we all can play a more active role in building a prosperous sustainable world community

From Principles to Practice in Education for Intercultural Citizenship Michael Byram,Irina Golubeva,Han Hui,Manuela Wagner,2016-11-01 The contributors to this volume have collaborated to present their work on introducing competences in intercultural communication and citizenship into foreign language education The book examines how learners and teachers think about citizenship and interculturality and shows how teachers and researchers from primary to university education can work together across continents to develop new curricula and pedagogy This involves the creation of a new theory of intercultural citizenship and a procedure for implementation The book is written by teacher researchers who aim to help other teachers and concludes with reflections on the lessons they have learnt which will help others to implement these ideas in their own practice The book is essential reading for foreign language educators and researchers students in pre service teacher training and teachers in in service training [The Reconquest of Paradise?](#) Sascha Krannich,2017 The book analyzes the phenomenon of how indigenous migrants who escaped social discrimination and economic exclusion in Mexico are building a well institutionalized transnational migrant community in the United States During this process of self empowerment indigenous migrant leaders use transnational networks on different levels to negotiate indigenous membership identity and opportunities of political participation Over the last few decades they were able to improve living conditions of members in the migrant community as well as indigenous home communities in Mexico Dissertation Series Studies in Migration and Minorities Studien zu Migration und Minderheiten Vol 32 Subject Migrant Studies Politics Sociology [Internationalizing Early Childhood Curriculum](#) Nancy Brown,2019-04-30 Internationalizing Early Childhood Curriculum empowers teachers and directors to internationalize their curriculums around the world in their own unique and culturally specific ways Serving as a guide and catalyst for thinking about curriculum in our interconnected world this book explores how young children learn about the world and describes how children develop intercultural understanding including how their teachers transform to expand their own global awareness and citizenship Stories from actual classroom curriculum projects are featured as well as suggested strategies and stages for the process of implementation Exploring the implications for teacher education and professional development this book gives readers the tools they need to bring internationalization into their own programs Designed to apply to formal and informal early childhood centers across the spectrum Internationalizing Early Childhood Curriculum is essential reading for professional developers and trainers as well as classroom teachers directors policy makers and NGO professionals providing early childhood services in the U S and around the world **Earth at Risk in the 21st Century: Rethinking Peace,**

Environment, Gender, and Human, Water, Health, Food, Energy Security, and Migration Úrsula Oswald

Spring, 2020-04-03 Earth at Risk in the 21st Century offers critical interdisciplinary reflections on peace security gender relations migration and the environment all of which are threatened by climate change with women and children affected most Deep rooted gender discrimination is also a result of the destructive exploitation of natural resources and the pollution of soils water biota and air In the Anthropocene the management of human society and global resources has become unsustainable and has created multiple conflicts by increasing survival threats primarily for poor people in the Global South Alternative approaches to peace and security focusing from bottom up on an engendered peace with sustainability may help society and the environment to be managed in the highly fragile natural conditions of a hothouse Earth Thus the book explores systemic alternatives based on indigenous wisdom gift economy and the economy of solidarity in which an alternative cosmovision fosters mutual care between humankind and nature Special analysis of risks to the survival of humankind in the 21st century Interdisciplinary studies on peace security gender and environment related to global environmental and climate change Critical reflections on gender relations peace security migration and the environment Systematic analysis of food water health energy security and its nexus Alternative proposals from the Global South with indigenous wisdom for saving Mother Earth

Current Challenges of Environmental Philosophy, 2023-09-04 It is extremely difficult to seek new paths in the twilight of our former idols ideals and visions of a happy and successful life The authors of the book invite the reader to embark on this journey in a free spirited manner and to look at the challenges posed by the new climate regime from different perspectives Whether one accepts the concept of the Anthropocene as a starting point or rather as an opportunity for constructive criticism readers will be fully engaged by thinking through historical philosophical scientific political social as well as educational problems
