Exploring Language Multilingual Context Documentation:

Exploring Language in a Multilingual Context Bettina Migge, 2012 Proposes a new methodological approach to documenting languages spoken in multilingual societies

Language Practices and Processes among Latin Americans in Europe Rosina Márquez Reiter, Adriana Patiño-Santos, 2022-12-30 Language Practices and Processes among Latin Americans in Europe is an innovative and thematically organised collection of studies dedicated to contemporary sociolinguistic research on Latin Americans across European contexts This book captures some of the language practices and experiences of Spanish speaking Latin Americans SsLAs across various regions in Europe addressing language uses language ideologies and experiences with languages in particular geographical contexts and settings across the ten chapters The book provides a new lens to study the sociolinguistics of the migratory trajectories of Spanish speaking Latin American migrants and the situated practices and processes in which they participate in their host societies The comprehensive volume will be of interest to researchers in the area of Spanish sociolinguistics sociology of language and language ideology

Colonial and Decolonial Linguistics Ana Deumert, Anne Storch, Nick Shepherd, 2020-11-30 This wide ranging volume offers a detailed exploration of coloniality in the discipline of linguistics with case studies drawn from Africa Southeast Asia Europe and the Caribbean Colonial meanings and legacies have returned to the forefront of many academic fields in recent years and linguistics like several other disciplines has had an ambivalent relationship with its own histories of practice in colonial and postcolonial worlds The implications of these histories are still felt today as colonial paradigms of knowledge production continue to shape both academic linguistic practices and non specialist discussion of language and culture The chapters in this volume adopt a range of different conceptual frameworks including postcolonial theory southern theory and decolonial thinking to provide a nuanced account of the coloniality of linguistics at the level of knowledge and disciplinary practice crucially the contributors also expand their investigations beyond this ambivalent inheritance to imagine a decolonial linguistics The volume will be of interest to all linguists looking to critically assess their own practices and to engage with debates at the cutting edge of their discipline particularly in the areas of sociolinguistics field linguistics typology and linguistic anthropology as well as to those outside the discipline engaging with questions of coloniality

Rethinking Language Use in Digital Africa Leketi Makalela, Goodith White, 2021-06-23 This book challenges the view that digital communication in Africa is limited and relatively unsophisticated and questions the assumption that digital communication has a damaging effect on indigenous African languages The book applies the principles of Digital African Multilingualism DAM in which there are no rigid boundaries between languages The book charts a way forward for African languages where greater attention is paid to what speakers do with the languages rather than what the languages look like and offers several models for language policy and planning based on horizontal and user based multilingualism The chapters demonstrate how digital communication is being used to form and sustain communication in many kinds of online groups including for political

activism and creating poetry and offer a paradigm of language merging online that provides a practical blueprint for the decolonization of African languages through digital platforms This book is open access under a CC BY NC ND licence

Manual of Romance Sociolinguistics Wendy Ayres-Bennett, Janice Carruthers, 2018-06-11 The Romance languages offer a particularly fertile ground for the exploration of the relationship between language and society in different social contexts and communities Focusing on a wide range of Romance languages from national languages to minoritised varieties this volume explores questions concerning linguistic diversity and multilingualism language contact medium and genre variation and change It will interest researchers and policy makers alike

Personal Names and Naming from an Anthropological-Linguistic Perspective Sambulo Ndlovu, 2023-08-07 This book fills a gap in the literature as it uniquely approaches onomastics from the perspective of both anthropology and linguistics It addresses names and cultures from 16 countries and five continents thus offering readers an opportunity to comprehend and compare names and naming practices across cultures The chapters presented in this book explore the cultural significance of personal names naming ceremonies conventions and practices They illustrate how these names and practices perform certain culture specific functions such as religion identity and social activity Some chapters address the socio political significance of personal names and their expression of self and otherness The book also links the linguistic structure of personal names to culture by looking at their morphology syntax and semantics It is divided into four sections Section 1 demonstrates how personal names perform human culture Section 2 focuses on how personal names index socio political transitioning Section 3 demonstrates religious values in personal names and naming and Section 4 links linguistic structure and analysis of personal names to culture and heritage
