**Exploring the Old Testament** J. Gordon McConville, 2014-06-10 Exploring the Old Testament A Guide to the Prophets considers the often misunderstood prophetic books of the Old Testament including an exploration of their historical context their artful use of language and their place within the chorus of Old Testament voices **Exploring the Old Testament** J. Gordon McConville, 2002 **Exploring the Old Testament** Philip E. Satterthwaite, J. Gordon McConville, 2012-01-06 Philip E Satterthwaite and J Gordon McConville introduce the content and the context of the historical books their setting in ancient history and history writing their literary artistry their role within the Scriptures of Israel and their lasting value as theological and ethical resources **Exploring the Old Testament** Gordon McConville, 2002 **Exploring the Old Testament, Volume 2: A Guide to the Historical Books** Philip E. Satterthwaite, J. Gordon McConville, 2007-06-05 The historical books from Joshua to Ezra and Nehemiah form the narrative backbone of the Old Testament Without them the Pentateuch would stop cold and the Prophets would hang in suspension Even the Psalms and Wisdom literature would lose some of their luster for lack of a setting Without these historical books the New Testament would be resolving an incomplete narrative answering a question only half and hesitantly posed For all these reasons and more it is a tragic fact that many of us today cannot give a brief and coherent account of this story We fear that books with names like Judges Kings and Chronicles would bore us But nothing could be further from the truth For the story they tell is full of action and intrigue tragedy and suspense vivid characters and memorable events They are the stuff of great art and literature and they have inspired men and women to lives and deeds of uncommon faith and courage Exploring these books is essential for a true education whether religious or otherwise In this guidebook Philip E Satterthwaite and J Gordon McConville introduce us to the content and the context of these historical books We view them within the setting of ancient history and history writing and come to appreciate their literary artistry their role within the Scriptures of Israel and their lasting value as theological and ethical resources Designed especially for students Exploring the Old Testament Volume 2 A Guide to the Historical Books overflows with interesting and helpful features that encourage avid exploration and the joy of learning **Exploring the Old Testament** Ernest C.
