Export Import Business Guide Mahipat Singh, 2016-02-02. Import and export are two basic attributes of foreign trade framework. Import refers to bringing commodities or goods to your country from other parts of the world, adhering to social welfare and maintaining the enforced import laws and procedures for trade purposes. Export is a profitable idea and successful dealings can turn a concern into a success overnight and earn you a big fortune. In global competitive business environment, there is big pressure on costing and prices. Calculating and winning competitive prices of their products or services in international marketplace is a boon for marketer which can fit for consumers and matching with their purchasing powers. Communication helps to services and products information in the market by different ways. Communication is parallel work with transporting system which is driving the information from starting to end point on the delivery.

**Export and Import Management** Aseem Kumar, 2005. Export and Import Management is a well-researched, student-friendly book that proposes to fill the gap between theory and practice for young managers aspiring for challenging positions in international business. The book is a pioneering effort in this area where only manuals or replicas of manuals have ruled for years. Written in essentially textbook fashion, the book presents interesting forays into the exciting world of export and import. The book is divided into 16 comprehensive chapters that take the reader through a sequential journey in export/import management. The students will be exposed to conceptual framework, procedural detail, and practical aspects of international transactions. Interesting examples, cases, and illustrations with reference to details make it full of life. Each chapter lists its objectives in the beginning and presents practical exercises at the end. The students will be able to relate their progress to the listed goals easily. Practical exercises will encourage them to go to the field as well as search the internet for more information. The unique feature of the book is a complimentary CD that contains all the relevant export/import forms for practical learning. The book has been planned keeping in view the needs of the students of MBA, PGDM, PGDBM, MIB, and other international business courses at PG/UG level. It will also prove to be a good resource for faculty members.
