Exploring Macroeconomics Robert Sexton, 2010-01-13 EXPLORING MACROECONOMICS Fifth Edition is not a traditional encyclopedic text filled with technical details. Rather, it is an engaging modern back-to-basics book designed to promote macroeconomic literacy and help students appreciate how macroeconomics affects their everyday lives. This reader-friendly text includes innovative learning tools, a visually appealing design, and captivating content to encourage students to read the chapters eagerly and help them master the material more easily. In addition, a comprehensive study guide included with every copy helps students reinforce their learning and better prepare for course assignments and exams. Packed with examples from current events and pop culture, EXPLORING MACROECONOMICS succeeds like no other text in making macroeconomics less intimidating and achieving the author's primary goal: conveying the real-world relevance of macroeconomics and inspiring in students the same excitement he felt when taking his first macroeconomics class.
