(Firm), 2004-07-20. Up-to-date information on 1,780 colleges and universities. *The Whole World Guide to Language Learning* Terry Marshall, 1989. An in situ or on location approach to language learning is presented for people going abroad for an extended period of time. The approach features two components: 1. the use of a mentor, native speaker who lives in the community and serves as a guide; and 2. the daily learning cycle of planning, practicing, communicating face-to-face, and evaluating. This approach gives the traveler responsibility for learning in real interaction situations with immediate feedback. Examples of topics covered include: benchmarks for evaluation, selection, communication with and compensation for a mentor; hints for increasing interaction opportunities; language structures, nuance, and word clusters; cultural appropriateness; and getting a head start at home. Six detailed lesson plans are included for dining out, transportation, shopping, currency, medical needs, and figuring out meanings of unfamiliar words. Contains 49 references.
