cardiologist and a leader in the field of integrative medicine Dr Alejandro Junger offers a major medical breakthrough Dr Junger argues that the majority of common ailments are the direct result of toxic build up in our systems accumulated through the course of our daily lives As the toxicity of modern life increases and disrupts our systems on a daily basis bombarding us through our standard American diet and chemical filled environments our ability to handle the load hasn't accelerated at the same rapid pace The toxins are unavoidable but Clean offers a solution *Take Charge of the Change* Pamela M. Smith, 2003 By including breakthrough research regarding brain function and body chemistry this book equips women with what they need to know about hormones stress menopause sex and nutrition It offers a step by step plan that will naturally counter many annoying symptoms Appendix *The Complete Idiot's Guide to Wellness* P. B. Smith, Patricia Burkhart Smith, Muriel MacFarlane, Eugene Kalnitsky, 2002 The most comprehensive introduction to achieving total health The first branded book on Wellness which is important because the topic is fairly new to people and they may be more inclined to seek out a trusted and easy to read book in order to get acquainted with the topic Although wellness is commonly discussed in terms of its three main pillars exercise nutrition and stress management almost all books currently available focus on just one or two aspects Wellness rests on three strong pillars proper nutrition regular moderate exercise and stress management As with anything balanced upon three legs if one of the legs is missing or weak the whole thing collapses If you exercise regularly but eat poorly and do nothing to manage your stress you are setting yourself up for illness If you eat right but never get up out of your recliner the same thing will happen Even if you manage to eat well and exercise four times a week the good benefits you accrue will not protect you from developing an illness if your life is full of unrelenting stress The Complete Idiot's Guide to Wellness teaches readers how to improve overall health and avoid illness by balancing these three pillars In addition to providing readers with the necessary facts in each of these three areas this book provides them with the tools necessary to proactively track their own wellness initiatives and identify when it's time to get a particular check up or exam and under what circumstances to seek medical care
