The Domino A100+

Setting the standard for basic ink jet coding

Main Features:

High Reliability

- Large volume reservoir based ink system ensures stable performance in any application
- Patented sealed nozzle print head and true autoflush ensure reliable start-ups, even after extended periods of shut down
- Sealed cartridge fluid replenishment.

Connectivity and Flexibility

- Built in Ethernet port enabling printers to be networked
- Built in web server to allow remote message selection and status monitoring
- All fonts and print formats on board allowing the machine to be configured from the user interface or via a networked PC
- External USB port for location based set ups, moving messages between printers and service diagnostics
- Print up to two lines with a variety of print formats.

Making More Time for your Business:

- Full control of networked factory printers from the comfort of your desk
- Simplified one-touch on/off button powers up the jet ready to start printing and when pressed to shut down, automatically flushes the head and powers off to ensure the machine is always available
- Prepare/edit messages while the printer is still running to reduce code/product changeover times
- Set-up wizards improve accuracy, speed-up installation and allow printer tasks to be optimised for maximum effectiveness.

Clear codes on a wide range of substrates

Ethernet and USB ports as standard
