Door To Atlantis The Mars Atlantis Alliance:

Door to Atlantis-the Mars~Atlantis Alliance Dianne Larson,2000-05 Door To Atlantis discloses an extraordinary series of events which occurred in Atlantis that had tremendous impact on Earth the magnitude of which will astound you It answers the very current controversial question about a Mars Earth connection a Saturn Earth connection and encounters that some think none of the Human race is ready to hear But we are ready It also relates events of the present time cycle from the author s time travel events which have taken her events to a celestial object that transited our Solar System at its closes point to Earth s atmosphere in 1997 She unexpectedly came face to face with an ominous presence of a race of Extraterrestrials with the negative Force vibrations and questionable intentions toward our planet Learn who they are what effect they are having on some people at this time and what their Agenda might be for Earth The author s most recent travel adventure took her to the future where she encountered the Master of Light who promised to prepare a new place for us and promised the return of the Christ consciousness to humanity at the peak of the battle of Darkness and Light The book gives some details on a dimension of angels and a dimension of beings much like the Titans from the Journey to other worlds escorted by Masters of Light Likewise there were confrontations with the Masters and their extraterrestrial recruits The book also talks about ancient Master School teachings of the Seven Rays and it teaches powerful ways that you can use your Sacred Fire and the Rays of the Light Force It addresses other spiritual topics that should be helpful to some at this changing time The Great White Brotherhood has chosen this book and this time to reveal the Truth about the Mars Atlantis Connection with the cooperation of this Atlantean Scientist Priest It is timely and comes at a time when their opponents in the Dark Force have launched disinformation campaigns about Mars and Earth and might be getting ready to launch something else while tightening their grip on an unawakened Humanity This book encourages the people of this planet to wake up and reach for their multidimensional awareness and freedom by utilizing the power tools of Light and a secret ancient connection to Mars and Atlantis that is connected to Genes Discover the tremendous Move that is occurring with the Solar System that seems mysterious because we are inside the system The Masters of Darkness have had this planet in its grips since the sinking of Atlantis This book is all to bring lost knowledge and powers of Light to a humanity that is being kept in vibrational patterns of sleep and to let them know that the Great White Brotherhood obviously has to face the issue of dark

Extraterrestrials in order to protect this planet **Door to Atlantis** M. Dianne Goodman-Larson,2006-11 Door To Atlantis discloses an extraordinary series of events which occurred in Atlantis that had tremendous impact on Earth the magnitude of which will astound you It answers the very current controversial question about a Mars Earth connection a Saturn Earth connection and encounters that some think none of the Human race is ready to hear But we are ready It also relates events of the present time cycle from the author s time travel events which have taken her events to a celestial object that transited our Solar System at its closes point to Earth s atmosphere in 1997 She unexpectedly came face to face with an ominous

presence of a race of Extraterrestrials with the negative Force vibrations and questionable intentions toward our planet. Learn who they are what effect they are having on some people at this time and what their Agenda might be for Earth. The author's most recent travel adventure took her to the future where she encountered the Master of Light who promised to prepare a new place for us and promised the return of the Christ consciousness to humanity at the peak of the battle of Darkness and Light. The book gives some details on a dimension of angels and a dimension of beings much like the Titans from the Journey to other worlds escorted by Masters of Light. Likewise there were confrontations with the Masters and their extraterrestrial recruits. The book also talks about ancient Master School teachings of the Seven Rays and it teaches powerful ways that you can use your Sacred Fire and the Rays of the Light Force. It addresses other spiritual topics that should be helpful to some at this changing time. The Great White Brotherhood has chosen this book and this time to reveal the Truth about the Mars Atlantis Connection with the cooperation of this Atlantean Scientist Priest. It is timely and comes at a time when their opponents in the Dark Force have launched disinformation campaigns about Mars and Earth and might be getting ready to.

Door to Atlantis Carla Russo, M. Dianne Goodman-Larson, 2003-12-22 Door To Atlantis describes what really happened to us in that Atlantean cataclysmic event which submerged the continent over a period of one day and a night. Many thousands of years ago a race of extraordinary beings determined the future of mankind influenced our technologies and changed the direction and the genetic make up of humanity. Door to Atlantis describes the gods of Atlantis the Ancient Elder Brothers Interdimensional Portals of Atlantis the Mars Atlantis Voyagers and their genetic and technological experiments. The book is an expose of how advanced technologies reshaped the destiny of mankind taking us down through the dimensions. What happened during our transit back up to the Fifth Dimension. It discloses UFO sightings and extraterrestrial encounters. You may or may not be convinced by these startling revelations but it is the truth that many have been waiting for. Door to Atlantis also addresses spiritual precepts about new dimensions ruled by thought that we will be moving into and must prepare for by the end of the cycle. Door to Atlantis encourages people of this planet to wake up and recognize their legacy of little known expression in mankind today and their multidimensional spirit.

The Queen and Atlantis Ruth Nordin, 2006-04 Shortly after Amanda learned that Raz chose her to be its Queen she visits the gods and goddesses on Olympia. While she is there she learns that she is needed on Earth to destroy Atlantis which has risen from the bottom of the ocean floor. Centuries ago six Olympians ordered the future rise of Atlantis and mandated that their clones take over their rule. Realizing their grave mistake they plead with Amanda to go to Atlantis and find the human man Pallid who can stop their clones with a simple password. Taking her sister with her Amanda meets up with Pallid and his friend Jake. To escape the military officials scouting out the city Amanda's magic sends them back in time before Atlantis falls. Atlantis is the city of perfection where beauty and youth are praised among all who live there. But with such perfection comes a heavy price and Pallid must decide how far he is willing to go to keep Atlantis on the map.
