## **Dorotheos Discourse Monasticism American University:**

### **Soul and Body Diseases, Remedies and Healing in Middle Eastern Religious Cultures and Traditions**

,2023-07-31 Aiming to develop a less studied literary genre this book provides a well rounded picture of spiritual and physical diseases and their remedies as they were ingrained in the imagination and practices of Middle Eastern Abrahamic cultures with a special emphasis of Christian communities Greeks Byzantines Syrians Armenians Georgians Ethiopians The volume traces traditions dealing with the onset of a disease in the body and soul the search for remedy the maintenance of healing and the engagement of these processes with faith either through their affirmation in the public sphere or remaining within the personal framework as in monastic traditions A recurring presence in religious literature and the history of the intellectual world the confrontation between disease and healing may well still be current for our modern understanding of the paths to seeking and maintaining the health of one s body and soul without excluding the factor of faith as a core principle

### **Dorotheos of Gaza and the Discourse of Healing in Gazan Monasticism** Kyle A. Schenkewitz,2016

Serving as a dynamic figure in the monastic school Dorotheos of Gaza transformed the traditional understanding of healing in the spiritual life Gazan monastic teachers Isaiah of Scetis Barsanuphius John and Dorotheos utilized this discourse of healing to instruct and guide their followers in the monastic life As a predominant part of human existence sickness and suffering were sought to be understood and interpreted For some teachers healing was purely a metaphor for spiritual renewal brought about through illness and pain For others physical distress was instructive for renewed endurance and trust Driven by a new distinction Dorotheos pursued the concept of healing as an extension beyond the metaphor and into the physical reality experienced in the body Encouraging his followers to pursue this idea he further developed the importance of healing in his tradition by emphasizing the significance of physical and spiritual well being The life of healing he envisioned was a life full of virtue carefully navigating all disruptions of life and strengthening the soul and the body

**Treasure in the Wilderness** Andrew D. Mayes,2023-06-29 This exciting resource on desert spirituality is quite unlike any other at once a physical journey to outstanding deserts of the planet and an odyssey of the soul A journey of discovery takes us across five continents as we venture to places few pilgrims reach the Gazan desert the Sahara the Australian outback the Athos wilderness and the Ordos Desert of China and the Syrian desert among others Evocative descriptions by early travelers and by the author immerse us into a diversity of wilderness landscapes stimulating the senses and the imagination Physicality leads to spirituality as we listen to compelling voices that speak to us poignantly across space and time including spiritual writers long forgotten or not well known These unearth for us the treasure we seek we uncover the distinctive charism of each desert offering us different and challenging ways of looking at the world and at the spiritual life We discover the unpredictable desert to contain unexpected priceless treasures of transformative wisdom that speak uncannily into our own contemporary spiritual search We see how these gems can energize and inspire our discipleship or spiritual practice As we

embark on this spiritual quest we may never be the same again      **Holy Waters** Ryan Lemasters, Stephen Covell, 2024-07-10 This edited volume brings together scholars from across disciplines to examine the relationship between religion and alcohol It examines the historical social ritual economic political and cultural relationship between religion and alcohol across time periods and around the world Twelve chapters are tied together by two major themes first gender identity and its intersection with religion and alcohol second identity construction in religious communities demonstrating how alcohol can be used as a distinguishing factor for religious ethnic and national identity A key focus of the volume is how alcohol can bridge and divide the point at which the sacred and secular meet With its interdisciplinary approach and engaging style this book is an essential resource for undergraduate and graduate students in religion departments and appeals to scholars of material culture food and alcohol Additionally the book is of interest to professionals in the alcohol industry particularly those involved in microbrewing and winemaking who are interested in understanding the historical and cultural contexts of their craft      *Phenomenology and Perspectives on the Heart* Anthony J. Steinbock, 2022-06-06 This edited collection marks a new wave of international and philosophical scholarship on the heart that rich dimension of our emotional being in the world This text addresses the relation between feeling and knowing and investigates whether or not the heart has its own way of cognition and critique This book takes up the emotional turn in philosophy in general and phenomenology in particular advancing this field through innovative and original perspectives The contributions come from philosophers working in distinctive yet overlapping areas of research      *The Life of Aelred of Rievaulx* Walter Daniel, 1994 Walter Daniel knew Aelred well and attended him on his deathbed in 1167 He remembered and portrayed him as abbot counselor and friend Contemporaries who had known him as a public figure so immediately criticized the Life that Walter was driven to justify his portrait in the subsequent Letter to Maurice A new introduction incorporates scholarship of the forty years since Sir F M Powicke's translation was first published      *Saints and Role Models in Judaism and Christianity* Marcel Poorthuis, Joshua J. Schwartz, 2004-01-01 This volume deals with the role of saints and exemplary individuals in Judaism and Christianity Although sharing the Hebrew Bible and recognizing the same Biblical figures there both religions have developed widely divergent perspectives upon the significance of these figures although there are occasional common motifs and themes Moreover even the contrasting themes betray an underlying interaction between both religions as is clear from the contributions on for example Melchizedek Elijah the Desert Fathers Rabbis on clothing the Apostle Peter in Jewish tradition the Maccabees in Christian tradition and the Biblical examples in Saint Antony the Hermit The book examines Jewish and Christian perspectives upon saints and role models from the Biblical period to the present time It will be of special importance to scholars and general readers interested in an interdisciplinary approach to theology rabbinics history art history and much more      **Monastery** M. Basil Pennington, 1983 A Scala book Bibliography p 115 120 Prologue Thomas Merton on the monastic life 1 A living tradition 2 Ora Labora Vita Communis prayer work community 3 In our time

**The Church, the Afterlife and the Fate of the Soul** Peter D. Clarke,Tony Claydon,2009 The Christian Church s ideas about the afterlife have always been central to its thought and may have played the vital role in the spread of the faith itself One sixth century pagan was reported by Bede to have likened human life to a sparrow flying swiftly through a well lit hall from dark to dark for him at least the church s promise of light beyond that brief traverse was reason enough to convert Beyond this basic attraction of the Christian afterlife notions and disputes about what happened to souls after death have been inseparably entangled in the Church s history As this wide ranging collection shows they influenced the early formation of doctrine flavoured debates between Eastern and Western traditions were crucial to the Reformation and shaped the spread of the Christian religion beyond Europe By considering the whole chronological and geographic spread of the church s experience these essays demonstrate the current excitement of scholarly study of the afterlife and they frequently question such deeply held assumptions as the late development of purgatory in Christian thought the divorce between the living and the dead in the western tradition after the sixteenth century or the importance of post death salvation in successful modern evangelism

BOOK JACKET      **The Soul After Death** Seraphim Rose,1980      **Religious Books, 1876-1982** R.R. Bowker Company. Department of Bibliography,R.R. Bowker Company.
