**The Seven Deadly Sins of White Christian Nationalism** Carter Heyward, 2022-09-15 Hear the call to overcome today's culture of hate and bring healing and hope into our life together While right wing conservatives dare to call themselves Christians as they tear down equality and justice commit horrific acts of violence and fan the flames of fascism in America Carter Heyward issues a call to action for Christians to truly hear God's message of peace and love Heyward shows how American Christians have played a major role in building and securing structures of injustice in American life Rising tides of white supremacy threats to women's reproductive freedoms and to basic human rights for gender and sexual minorities the widening divide between rich and poor and increasing natural disasters and the extinction of Earth's species all point to a world crying out for God's wisdom Followers of Jesus must first call out these ingrained and sinful attitudes for what they are acknowledging what the culture of white Christian nationalism is doing to our country and our world and commit ourselves ever more fully to generating justice love whoever and wherever we are
