Earth Inc Using Natures Rules To Build Sustainable Profits:

Earth, Inc Gregory Unruh, 2010 In this book Gregory Unruh introduces readers to the biosphere rules nature inspired principles that will transform a business from a resource depleter to a resource reuser Reconfiguring the value chain as a value cycle Unruh explains his five principles of sustainable business modeled after the cyclical nature of the biosphere Drawing on scientific evidence and the experiences of top global companies Unruh shows how business and environmentalism are not only compatible but inherently similar This book presents an integrated sustainability strategy that can be leveraged across a company s product lines for profitable economies of scope and scale Implementation leads a company inexorably toward embedded sustainability a state in which sustainability is internalized in a company s products and disappears as a managerial concern Showcasing the stories of successful innovators Earth Inc proves that applying the biosphere rules isn t a costly sacrifice but an incredible business opportunity Book Jacket *Earth, Incorporated* Gregory Unruh, 2010

Being Global Ángel Cabrera, Gregory Unruh, 2012-03-27 What does it take to lead a global business What makes being a global business leader today such a complex task It s more than mastering your knowledge of various geographies and cultures though that is essential But to succeed you must also master the complex mind set and competencies needed to lead in today s fully globalized world Not an easy assignment Enter ngel Cabrera and Gregory Unruh In *Being Global* they pull from their extensive experience as well as research they conducted at the Thunderbird School of Global Management which has been cited by the Financial Times U S News and World Report and The Economist for its authority on global business In *Being Global* Cabrera and Unruh define a new context for global leadership vividly illustrating both the challenges and the opportunities facing today s executives How can you be effective What new skills must you learn in order to be successful What do international teams do to stay connected while still producing results on a regional scale *Being Global* is written for leaders at all levels of their careers whether in big business or small private sector or government who aspire to think and act globally and who need some help getting there Being a global citizen is just the starting point Cabrera and Unruh provide the tools and guidance to help you develop even deeper leadership skills to benefit both you and your organization

Philosophy and Business Ethics Guglielmo Faldetta, Edoardo Mollona, Massimiliano Matteo Pellegrini, 2022-06-06 This book explores the relationship between philosophy and business ethics Academics and practitioners often muse about the ethical and moral aspect of management and business actions but these studies can lack a deeper philosophical grounding Contributors to this volume challenge this gap by applying different philosophical paradigms and theories to business management issues The territory covered by the contributions collected in this book spans from the foundations of business management literature itself to the role of philosophy in new business models and technology from the way philosophical theory can explain and encourage ethical firm behaviour to the political stance that an organization takes Contributors take a holistic approach to business and management bringing together real world examples and rich
