accurate How we can use a technique known as five minimal facts facts on which even skeptical scholars agree are true and medical evidence to build a strong case for Jesus resurrection What the evidence in the Gospels reveals about the Jesus tomb being empty why the Gospel writers are credible when they make this claim and what this evidence leads us to conclude Who the Bible states witnessed Jesus being alive after the crucifixion how early creeds emerged that stated Jesus was alive and how it s clear the early church carried on this teaching The Case for Easter invites participants to examine the evidence for themselves and consider whether the story of Jesus resurrection makes sense It will point them to the inescapable conclusion that led Lee from atheism to Christianity Jesus was the Son of God who conquered the grave Designed for use with The Case for Christmas Video Study The Case for Easter Video Study sold separately This DVD is a set of two videos to accompany The Case for Christmas Study Guide and The Case for Easter Study Guide each guide sold separately *The Promise and Power of Easter Bible Study Guide plus Streaming Video* Christine Caine, Lisa Harper, 2025-01-07 Easter is so much more than a holiday Easter isn t just a date on the calendar it s the most significant event in human history It s the celebration of Jesus resurrection from the dead and His victory over everything that holds us back in our earthly lives It s the day we focus on the promise and power of Jesus and draw closer to Him Join Christine Caine and Lisa Harper in a transformative study that goes beyond tradition Walk with them through four weeks of the Lenten season taking in the details of Jesus life the agony of His death and the overwhelming joy of His resurrection Relive His steps with a heart full of hope See it all with eyes of faith You ll be ready to celebrate Easter in more ways than you ever have and be inspired to share the joy only Jesus could make possible Streaming video access included Access code subject to expiration after 12 31 2029 Code may be redeemed only by the recipient of this package Code may not be transferred or sold separately from this package Internet connection required Void where prohibited taxed or restricted by law Additional offer details inside *Easter for Progressive Christians* DONALD. SCHMIDT, 2020-01-13 When it comes right down to it the Bible doesnt really tell us much about resurrection This is hardly surprising because the gospel writers are trying to make sense of a story that well doesnt really make sense at least not to a rational mind This has led people to a variety of positions that roughly fall somewhere between two extremes Of course Jesus never rose from the dead people dont do that Anyone who says so is crazy or Jesus rose physically from the dead and appeared to lots of people and you must believe this or you are going to hell While most people lie somewhere between these two positions they may not be sure just where exactly nor are they always sure that they are allowed to be where they think they are To put that another way many people who understand themselves to be Christian struggle to accept the idea that Jesus physically rose from the dead but are afraid to say so This guide does not set out to prove or disprove that Jesus physically rose on Easter Sunday Instead it invites participants to engage with the biblical stories of Christs resurrection to try to understand what the gospel writers meant to tell us what they wanted us to take from these stories After all they did not set out to prove a point of history they wrote them down because these stories had transformed their own lives and the

lives of many others at the time Hopefully reading and exploring these stories can enhance our lives too Ultimately how we experience Christ today is what matters not what might have happened 2 000 years ago *The Case for Easter Bible Study Guide + Streaming Video, Updated Edition* Lee Strobel, 2025-12-09 What do the Gospel accounts actually say about Jesus death and resurrection How can we know the biblical accounts are accurate In *The Case for Christ* Lee Strobel retraced his spiritual journey from atheism to faith by showing how the evidence he obtained from experts in the field of history archaeology and ancient manuscripts led him to the verdict that Jesus truly was the Son of God In *The Case for Easter Bible Study* Lee investigates the story surrounding the resurrection of Jesus and how we can know that it is true In each session participants will explore How to understand the differences between the Gospel accounts How to use historical and medical evidence to build a strong case for Jesus resurrection Why the Gospel writers are credible when they make this claim The testimony of those who witnessed Jesus alive after the crucifixion Why it s clear the early church carried on the teaching of these witnesses *The Case for Easter Bible Study* invites you to examine the evidence of the resurrection for yourself and points to the conclusion that Jesus was the Son of God who conquered the grave Session titles Evidence for the Resurrection An Excruciating Execution The Case for the Empty Tomb Eyewitnesses to the Resurrection **Easter Experience Participant's Guide** City on a Hill, 2009-02 Paint yourself into the story and transform Easter into a truly life changing experience Once you experience the story of Easter absolutely everything in your life changes The Easter Experience is a unique DVD driven study which brings the passion and resurrection of Jesus to life through dramatic storytelling and challenging teaching The participant s guide to The Easter Experience small group DVD follows the six 20 minute episodes providing additional information discovery questions and tips for helping your small group grow spiritually and bond with each other as well as with the eternal message of Easter Also available are the Easter Experience Church Program the Easter Experience Small Group DVD and the Easter Experience Ministry Devotional [SCM Studyguide: Catholic Liturgy](#) Peter McGrail, Martin Foster, 2018-10-31 Written by liturgists pastoral and academic who make up the Liturgical Formation Sub Committee of the Department for Christian Life and Worship of the Roman Catholic Bishops Conference of England and Wales this studyguide offers an introduction to Catholic Liturgy Covering the history content and debates around the use of liturgy in the Catholic church each chapter includes points for reflection end of chapter questions and an indication of further reading A book wide glossary is also provided *SCM Studyguide: Liturgy, 2nd Edition* Stephen Burns, 2018-09-07 The SCM Studyguide Liturgy 2nd Edition is an introduction to liturgy that considers the basic buliding blocks needed to grasp the subject area It outlines the essential shape and content of Christian worship and explores a range of liturgical dynamics of which both students of liturgy and leaders of liturgy need to be aware This 2nd edition of the popular Studyguide is fully revised updated and expanded The book takes account of new developments in scholarship engages with new contexts for liturgical celebration notably fresh expressions as part of a mixed economy of church encompasses recent revisions in liturgy
