Eat This Book A Conversation In The Art Of Spiritual Reading:

Eat this Book Eugene H. Peterson, 2006 Presents the second volume in Eugene Peterson's series on Spiritual Theology and is entitled *Eat This Book* Becomes a conversation about spiritual reading and the nature of language as well as the ancient practice of *lectio divina* and the place of Scripture translations

Eat This Book Eugene H. Peterson, 2009-07-29 Eugene Peterson maintains that how we read the Bible is as important as that we read it The second volume of Peterson's momentous five part work on spiritual theology *Eat This Book* challenges us to read the Scriptures on their own terms as God's revelation and to live them as we read them Countering the widespread practice of using the Bible for self serving purposes Peterson here serves readers with a nourishing entrance into the formative life changing art of spiritual reading from the back of the book

Eat This Book Eugene Peterson, 2011-10-27 Eugene Peterson's landmark Spiritual Theology series is foundational reading for the twenty first century Church The product of Peterson's many years experience as both pastor and professor of the highest calibre this series combines first class scholarship and genuine lived application Beautifully written it presents a fresh and urgent evaluation of contemporary Christian spirituality St John walks up to the angel and say Give me the book writes Peterson The angel hands it over Here it is eat it eat the book And John does He eats the book not just reads it he got it into his nerve endings his reflexes his imagination The book he ate was Holy Scripture *Eat This Book* encourages the art of the reading the Bible so that it becomes a text for living and growing not just thinking or behaving and recasts the ancient discipline of *lectio divina* spiritual reading for a postmodern culture Also available in the Spiritual Theology series *Christ Plays in Ten Thousand Places* *The Jesus Way* *The Word Made Flesh* and *Practise Resurrection*

Eat the Bible Micah E. Chung, 2024-07-19 People love their metaphors for the Bible The Bible is a sword a mirror a script a score a cathedral a rule book a user's manual a lamp a love letter But how did metaphor which in the eighteenth century was seen as a deceptive rhetorical trick become such a prominent tool for speaking of Scripture And how does one judge between a good metaphor and a bad one This book explores the theological use of metaphor to describe the nature and interpretation of Scripture It interrogates three such models the Bible as musical score Anthony Thiselton the Bible as theo dramatic script Kevin Vanhoozer and the Bible as light John Feinberg seeking to evaluate their faithfulness to Scripture and church tradition their fittingness to the current culture and their fruitfulness for understanding and practicing the biblical text The author then proposes and explores what he considers a better model one drawn from the Bible itself namely that of Scripture as food

The Listening Life Adam S. McHugh, 2015-11-09 Listening is an essential skill for healthy relationships both with God and with other people But it is more than that listening is a way of

life Adam McHugh places listening at the heart of our spirituality our relationships and our mission Heed the call to the listening life and hear what God is doing in you and the world *The Way to Brave* Andy McQuitty, 2018-02-06 Want to grow in courage It s getting harder to be a Christian in our post Christian culture As a pastor of 35 years Andy is seeing the church wake from a Christian Pax Americana to an era of intensified hostility Based on David s courage before Goliath *The Way to Brave* helps readers face the giants looming over us today such as secularism and relativism Bent on banishing Christian influence from public life their power is shocking their reach expansive and their deployment quick But still they are no match for our God *The Way to Brave* guides readers through the five ways God prepared David to be intrepid in facing the giant who opposed him The qualities and experiences David possessed are the ones Christians need today Pastor Andy McQuitty will walk you through what those are and how they can mark your life bolstering you for the storms ahead *A Long Obedience in the Same Direction* Eugene H. Peterson, 2019-04-02 Since Eugene Peterson first wrote this spiritual formation classic nearly forty years ago hundreds of thousands of Christians have been inspired by Peterson s prophetic and pastoral wisdom and the call to deeper discipleship found in the Songs of Ascents Psalms 120 134 This special commemorative edition includes a new preface taken from Leif Peterson s eulogy at his father s memorial service

Reimagining Church Outreach Dr. Sherita K. Parks, 2022-02-16 Are you a frustrated church or nonprofit leader with years of experience and yet fail to see real change in the lives of those you serve Do you find yourself discontent with the status quo of how things are done but cannot seem to figure out what changes will really make the difference Are your staff partners and volunteers feeling burnt out and disinterested in the work they once loved Have your donors lost interest in your vision and failed to see any return on their investment If you answered yes to any of these questions this book is for you You will learn why your efforts have only afforded you the thrill of seeing immediate short term gains You will learn why many of your efforts fail and how to successfully reset yourself and your leaders to reimagine the way you have always done things You will understand why your mental models serve as catalytic precursors for transformative social change to occur Sherita has a Kairos word for the Body of Christ concerning the failures of outreach and a collaborative and Servant Leadership approach to a solution Her well researched biblically based manuscript demonstrates that challenges and failures are systemic and thus the strategy for a transformative solution must collaboratively address the systems Sherita addresses the biblical social role of the Church church leadership and Body of Christ and demonstrates how Servant Leadership is necessary for bringing about community and social transformation Long gone are the days where we could depend on the government to solve all of society s ills Instead we as Christians must recognize our responsibility to identify and participate in solving the many complex problems of our world She even presents a case study demonstrating how lives transformed through discipleship can naturally flow into transforming an entire community This furthers the credibility of the ideas and solutions presented in the manuscript The manuscript is framed from a belief of the author I believe God is calling His bride

to join Him in higher endeavors that not only fill the belly but transform lives by guiding them out of bondage into the freedom of life in Christ Jesus Dr Diane Wiater Regent University

The Pentecostal Gender Paradox Joseph Lee Dutko, 2023-11-16 The distinct subjects of eschatology and gender equality have seen an explosion of interest in recent decades particularly within Pentecostal scholarship Pentecostalism is regarded ideally as both an eschatological and egalitarian movement However many Pentecostals have lamented the inconsistency between the early egalitarian impulse of the movement and its current restrictive practices This situation has been described as the so called Pentecostal gender paradox referring to the conflicting freedoms and limitations experienced by Pentecostal women Pentecostals have also recognized the waning eschatological fervor within the movement and its shifting eschatological convictions leading to calls to rediscover the eschatological heart of the movement Despite the renewed interest in both eschatology and women s equality little research has been done to put these two areas into conversation with each other eschatological convictions are often absent in the debate on gender roles in the church For Pentecostals eschatology has often been about urgency in saving souls rather than attending to social issues but could Pentecostal eschatology be the key to re discovering greater equality for women in the church Is the waning of both eschatology and women s equality within Pentecostalism potentially interrelated For over one hundred years the role of women in Pentecostalism has been debated without a firm consensus By examining gender solely through an eschatological lens in history Scripture and praxis this work provides a valuable and creative contribution to one of the most important theological and global issues of our time women s in equality This book is also one of the first comprehensive studies to approach a single social issue solely through an eschatological lens and to provide attention to developing a thorough and methodologically connected eschatological praxis By uncovering the unified eschatological egalitarian narrative thread within both the Pentecostal and biblical story this work suggests that the present end of women s inequality begins with fidelity to the future eschaton of gender equality
