Uncle Sam's Right Arm ... Effa Estelle Preston, 1918 *Uncle Sam's Secrets* Oscar Phelps Austin, 1900 *Uncle Sam* Helen Lepp Friesen, 2024-10-31 Did you know that Uncle Sam is a nickname for the United States The symbol of Uncle Sam came from a real man named Samuel Wilson Young readers can further explore this national symbol s history importance and continuing role in society in *Uncle Sam a Symbols of the United States* title *Uncle Sam's Secrets* Oscar Phelps Austin, 1899 **Uncle Sam's Visit. A Tale for Children** Uncle Sam, 1865 *Two Years on the Farm of Uncle Sam* Charles Casey, 1852 *Uncle Sam's stepchildren* Loring Benson Priest, 1969 *Uncle Sam Has Called for Me!* John Edward Harris, 1919 **Uncle Sam** Cryptology Collection (University of Pennsylvania), 1917 **The Adventures of Uncle Sam** Frederick Augustus Fidfaddy, 1970 **The Uncle Sam Series for American Children** Sam (Uncle.), 1870 *Uncle Sam Abroad* J. E. Conner, 2020-09-28 What is the attitude of Great Britain Germany France Russia or the United States upon this or that question Such a query you often hear and perhaps you stop to wonder how it is when the collective opinion of any one country cannot be known in a short time that there can be such a thing as a German attitude an English or an American attitude or who has a right to determine upon this or that as our attitude Well it is evident that in domestic affairs that is to say in national affairs we as a people can take time to deliberate and choose our path and it is just as evident that in international affairs we cannot always do so It is the unexpected that happens and we must have some means of meeting emergencies that will not wait Hence a free people is least free theoretically when it has to do with the claims of treaties and international law for it cannot take time to consider and decide upon all the facts nay even legislatures may interfere seriously with the proper discharge of such duties so that in actual practice even the most democratic nations have found it best to entrust the management of foreign affairs or in other words the preservation of their national equilibrium to a Premier Chancellor or Foreign Secretary who is generally the ablest statesman that the country can afford This officer with slightly differing functions is known in our country as the Secretary of State and he presides over the State Department Probably there is no office under our Constitution that requires greater sagacity greater breadth of intellectual grasp and practical training than this one of Secretary of State and the fact that it has been held by such men as Thomas Jefferson John Marshall James Madison James Monroe John Quincy Adams Henry Clay Daniel Webster John C Calhoun William H Seward and James G Blaine is sufficient evidence of its importance It was intended at first that the cabinet officers should be as nearly equal as possible and the salaries were fixed and remain the same to this day but in the nature of the case they could not remain of equal importance for the Department of State is more intimately associated with the President than any other Washington would not allow foreign ministers to address him they must reach him properly through the State Department hence if for no other reason it is easy to see how the Secretary of State assumed an official dignity that does not belong to the other cabinet officers Let us see how he stands related to the general government Suppose we assume the attitude of an

intelligent foreigner looking at the Great Republic from the outside and trying to discover into whose hands the logical working out of the Constitution has placed the real power *Uncle Sam, My Story* Uncle Sam,2000 *Uncle Sam, the Teacher and the Administrator of the World ...* Andrew Hallner,1918 Uncle Sam Albert Matthews,2025-03-28 Discover the fascinating origins and evolution of Uncle Sam the enduring personification of the United States In this meticulously prepared edition Albert Mathews explores the rich folklore and political symbolism surrounding this iconic American figure Delve into the history of Uncle Sam as a national symbol tracing his roots and examining his significance in the American narrative From his humble beginnings to his prominent role in political discourse and popular culture this book unveils the captivating story of Uncle Sam Explore the historical context that shaped his image and understand his lasting impact on American identity A valuable resource for anyone interested in American history folklore and the power of political symbolism This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant U.S.a., Uncle Sam's Abscess; Or, Hell Upon Earth for U.S., Uncle Sam William Jarman,2018-10-07 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Uncle Sam's Library, for the Boys and Girls in His U.S.A. ,*1854 *UNCLE SAM & OLD WORLD CONQUERO* William Norman 1868-1944 Guthrie,2016-08-28 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc
