Identity investigates the predominant perception of liminality identity situated at a threshold neither one thing nor another but simultaneously both and neither caused by encounters with otherness while negotiating identity in contemporary Spain Examining how identity and alterity are parleyed through the cultural concerns of historical memory gender roles sex religion nationalism and immigration this study demonstrates how fictional representations of reality converge in a common structure wherein the end is not the end but rather an edge a liminal ground On the border between two identities the end materializes as an ephemeral limit that delineates and differentiates yet also adjoins and approximates In exploring the ends of Spanish fiction both their structure and their intentionality Liminal Fiction maps the edge as a constitutive component of narrative and identity in texts by Najat El Hachmi Cristina Fernández Cubas Javier Marías Rosa Montero and Manuel Rivas In their representation of identity on the edge these fictions enact and embody the liminal not as simply a transitional and transient mode but as the structuring principle of identification in contemporary Spain *Mark of Evil* Tim LaHaye, Craig Parshall, 2014-02-04 In the final installment of The End series economies have collapsed freedom has been suppressed and peace is a distant memory The world is falling apart Joshua Jordan's protégé Ethan March along with Jimmy Louder and Rivka Reuban have been left behind in a world that is rapidly coming under the complete influence of the Antichrist Technology is growing by leaps and bounds with BID Tag implants robotic police units and drone bots flying overhead all designed to control and dominate those who resist the Antichrist's reign of evil As Biblical prophecy is fulfilled each new day Ethan and the others in the Remnant struggle to eat to procure necessary goods and to avoid the Global Alliance in short to survive But when the forces of evil attempt to pervert the world's most powerful information system to their own sinister ends eliminating everyone who gets in their way it's up to Ethan and the Remnant to subvert their dark ambitions From New York Times bestselling author Tim LaHaye creator and co author of the world renowned Left Behind books Mark of Evil is the final thrilling chapter to The End series Futuristic Christian political thriller The final installment of The End series Book 1 Edge of Apocalypse Book 2 Thunder of Heaven Book 3 Brink of Chaos Book 4 Mark of Evil Includes discussion questions for book clubs **Worlds Ending. Ending Worlds** Jenny Stümer, Michael Dunn, 2023-12-04 The notion of apocalypse is an age old concept which has gained renewed interest in popular and scholarly discourse The book highlights the versatile explications of apocalypse today demonstrating that apocalyptic transformations the various encounters with anthropogenic climate change nuclear violence polarized politics colonial assault and capitalist extractivism navigate a range of interdisciplinary views on the present moment Moving from old worlds to new worlds from world ending experiences to apocalyptic imaginaries and finally from authoritarianism to activism and advocacy the contributions begin to map the emerging field of Apocalyptic and Post Apocalyptic Studies Foregrounding the myriad ways in which collective imaginations of apocalypse underpin ethical political and sometimes individual experience the authors provide key points of reference for understanding old and new predicaments that are transforming our many worlds *Beyond Galaxy's Edge* Anna Hackett, 2014-12

In the second installment of *The End* series, not even Joshua Jordan's anti-nuclear technology can stop global events moving to catastrophic as terrorist missiles take down an American plane and a bomb explodes in the Mall of America. Joshua Jordan's reputation is on the line when his controversial anti-nuclear system fails to protect a commercial flight as it takes off from Chicago and is shot down by a terrorist missile. The government is taking no chances and starts an investigation of Joshua's entire defense program. The Israelis, longtime allies of the United States, are desperate for the technology. When Joshua flies to the Middle East to assure them of the Return to Sender reliability, he is captured by Iranians who want the secret for the defense tool for their own use. With Joshua out of the country, Abigail Jordan is left in charge of the Roundtable and sets out to defend her husband to the media and to the commission set up to investigate RTS. But America is under attack: a bombing in the Mall of America and rumors of even more potential atrocities have this covert team desperate to find additional bombs before they are set off.
