The Ear in the Wall Arthur B Reeve, 2015-02-23 How do you do Judge I exclaimed No but I expect him any second now Won't you sit down The District Attorney dropped rather wearily I thought into a chair and looked at his watch I had made Carton's acquaintance some years before as a cub reporter on the *Star* while he was a judge of an inferior court Our acquaintance had grown through several political campaigns in which I had had assignments that brought me into contact with him More recently some special writing had led me across his trail

again in telling the story of his clean up of graft in the city At present his weariness was easily accounted for He was in the midst of the fight of his life for re election against the so called System headed by Boss Dorgan in which he had gone far in exposing evils that ranged all the way from vice and the drug traffic to bald election frauds **The Ear in the Wall** Arthur Benjamin Reeve,1916 *Who's who Among North American Authors* ,1925 **American Fiction, 1901-1925** Geoffrey D. Milanich,2019-06-10 In this rigorous and beautifully researched volume Milanich considers the tension between social and biological definitions of fatherhood and shows how much we still have to learn about what constitutes a father Andrew Solomon author of Far from the Tree Parents Children and the Search for Identity For most of human history the notion that paternity was uncertain appeared to be an immutable law of nature The unknown father provided entertaining plotlines from Shakespeare to the Victorian novelists and lay at the heart of inheritance and child support disputes But in the 1920s new scientific advances promised to solve the mystery of paternity once and for all The stakes were high fatherhood has always been a public relationship as well as a private one It confers not only patrimony and legitimacy but also a name nationality and identity The new science of paternity with methods such as blood typing fingerprinting and facial analysis would bring clarity to the conundrum of fatherhood or so it appeared Suddenly it would be possible to establish family relationships expose adulterous affairs locate errant fathers unravel baby mix ups and discover one s true race and ethnicity Tracing the scientific quest for the father up to the present with the advent of seemingly foolproof DNA analysis Nara Milanich shows that the effort to establish biological truth has not ended the quest for the father Rather scientific certainty has revealed the fundamentally social cultural and political nature of paternity As Paternity shows in the age of modern genetics the answer to the question Who s your father remains as complicated as ever
