**Documentary Film** Patricia Aufderheide, 2026-07 Very Short Introductions Brilliant Sharp Inspiring In this Very Short Introduction Patricia Aufderheide takes readers along the diverse paths of documentary history and charts the lively often fierce debates among filmmakers and scholars about the best ways to represent reality and to tell the truths worth telling Beginning with an overview of the central issues of documentary filmmaking Aufderheide focuses on several of its key subgenres including public affairs films government propaganda particularly works produced during World War II historical documentaries and nature films Interwoven throughout are discussions of the ethical and practical considerations that arise with every aspect of documentary production ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Documentary Film Patricia Aufderheide, 2008-01-24 Beginning with an overview of the central issues of documentary filmmaking its definitions and purposes its forms and founders Aufderheide focuses on several of its key subgenres including public affairs films government propaganda particularly the works produced during World War II historical documentaries and nature films Her thematic approach allows readers to enter the subject matter through the kinds of films that first attracted them to documentaries and it permits her to make connections between eras as well as revealing the ongoing nature of documentary's core controversies involving objectivity advocacy and bias

Documentary Film Patricia Aufderheide, 2007-11-28 Documentary film can encompass anything from Robert Flaherty's pioneering ethnography Nanook of the North to Michael Moore's anti Iraq War polemic Fahrenheit 9/11 from Dziga Vertov's artful Soviet propaganda piece Man with a Movie Camera to Luc Jacquet's heart tugging wildlife epic March of the Penguins In this concise crisply written guide Patricia Aufderheide takes readers along the diverse paths of documentary history and charts the lively often fierce debates among filmmakers and scholars about the best ways to represent reality and to tell the truths worth telling Beginning with an overview of the central issues of documentary filmmaking its definitions and purposes its forms and founders Aufderheide focuses on several of its key subgenres including public affairs films government propaganda particularly the works produced during World War II historical documentaries and nature films Her thematic approach allows readers to enter the subject matter through the kinds of films that first attracted them to documentaries and it permits her to make connections between eras as well as revealing the ongoing nature of documentary's core controversies involving objectivity advocacy and bias Interwoven throughout are discussions of the ethical and practical considerations that arise with every aspect of documentary production A particularly useful feature of the book is an appended list of 100 great documentaries that anyone with a serious interest in the genre should see Drawing on the author's four decades of experience as a film scholar and critic this book is the perfect introduction not just for teachers and

students but also for all thoughtful filmgoers and for those who aspire to make documentaries themselves About the Series Combining authority with wit accessibility and style Very Short Introductions offer an introduction to some of life s most interesting topics Written by experts for the newcomer they demonstrate the finest contemporary thinking about the central problems and issues in hundreds of key topics from philosophy to Freud quantum theory to Islam

**The History of Cinema: A Very Short Introduction** Geoffrey Nowell-Smith,2017-11-16 Cinema was the first and is arguably still the greatest of the industrialized art forms that came to dominate the cultural life of the twentieth century Today it continues to adapt and grow as new technologies and viewing platforms become available and remains an integral cultural and aesthetic entertainment experience for people the world over Cinema developed against the backdrop of the two world wars and over the years has seen smaller wars revolutions and profound social changes Its history reflects this changing landscape and more than any other art form developments in technology In this Very Short Introduction Nowell Smith looks at the defining moments of the industry from silent to sound black and white to colour and considers its genres from intellectual art house to mass market entertainment ABOUT THE SERIES The Very Short Introduction series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

**Free Speech: A Very Short Introduction** Nigel Warburton,2009-02-26 Voltaire s comment I disapprove of what you say but I will defend to the death your right to say it is frequently quoted by defenders of free speech Yet it is rare to find someone prepared to defend all freedom of speech especially if the views expressed are obnoxious or obviously false So where do the limits lie How important really is our right to freedom of speech Here Nigel Warburton offers a concise guide to the important questions facing modern society about free speech Should a civilized society set limits on the freedom of speech How can we square free speech with the sensitivities of religious and minority groups Does copyright law clash with our right to free speech And how have new technologies such as the Internet changed the debate This Very Short Introduction is a thought provoking accessible and up to date examination of the liberal assumption that free speech is worth preserving at any cost

**Geography: A Very Short Introduction** John A. Matthews,David T. Herbert,2008-05-22 Modern Geography has come a long way from its roots in simply mapping and naming the regions of the world Spanning both physical and human Geography the discipline today is unique as a subject bridging the divide between the sciences and humanities and between the environment and our society This Very Short Introduction reveals why

**Catholicism: A Very Short Introduction** Gerald O'Collins,2008-11-27 Despite a long history of external threats and internal strife the Roman Catholic Church and the broader reality of Catholicism remain a vast and valuable presence into the third millennium of world history What are the origins of the Catholic Church How has Catholicism changed and adapted to such vast and diverse cultural influences over the centuries What great challenges does the Catholic Church now face in the twenty first

century both within its own life and in its relation to others around the world In this Very Short Introduction Gerald O Collins draws on the best current scholarship available to answer these questions and to present in clear and accessible language a fresh introduction to the largest and oldest institution in the world ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable Film: A Very Short Introduction Michael Wood,2012-01-26 Film is considered to be the dominant art form of the twentieth century It can be considered many other things a record of events a modern mythology a career an industry an art a hobby and much else Michael Wood explores the history of film its venture into the digital age and its role and impact on modern society **Modern Japan: A Very Short Introduction** Christopher Goto-Jones,2009-04-23 Japan remains something of an enigma to many a confusing montage of the alien and the familiar This Very Short Introduction explodes the myths and explores the reality of modern Japan offering a concise engaging and accessible look at the history economy politics and culture of this fascinating nation It examines what the term modern means to the Japanese debunks the notion that Japan went through a period of total isolation from the world and explores the continuity between pre and post war Japan The Meaning of Life Terry Eagleton,2007-02-22 Famed critic Terry Eagleton takes a serious if often amusing look at the meaning of life Eagleton first examines how centuries of thinkers and writers from Marx and Schopenhauer to Shakespeare Sartre and Beckett have responded to the ultimate question of meaning He suggests however that it is only in modern times that the question has become problematic But instead of tackling it head on many of us cope with the feelings of meaninglessness in our lives by filling them with everything from football to fundamentalism He argues instead that the meaning of life is a matter of living in a certain way a certain quality depth abundance and intensity of life The History of Cinema Geoffrey Nowell-Smith,2017 In this Very Short Introduction Geoffrey Nowell Smith defines the field of cinema and explores its fascinating history within the cultural and aesthetic sphere Considering the influences of the other art forms from which it arose he looks at how technological advances have opened up new horizons for the cinema industry **David Lynch** Anne Jerslev,2021-11-03 This book distinguishes itself from earlier books on David Lynch by taking in depth consideration of his entire oeuvre Besides his films and the Twin Peaks series David Lynch Blurred Boundaries includes discussions of Lynch s paintings and drawings music videos commercials short experimental works digital projects on the YouTube channel David Lynch Theater and the Internet documentary The Interview Project as well as the exhibition The Air is on Fire which Jerslev regards as one of Lynch s main works David Lynch Blurred Boundaries offers a view of Lynch s total work in which one medium or genre is no more important than the other It discusses the ways in which Lynch has worked throughout his career with different art forms and has right from the start experimented with the blurring of boundaries between media and genres And it discusses ways Lynch creates atmospheres
