Faith Set Free Pray For Yourself With Reckless Abandon:

Faith Set Free Will Davis, 2009 Will Davis Jr has been studying prayer for years and understands this essential spiritual discipline Now readers will learn from this prayer warrior the importance of praying for themselves If Jesus prayed for himself how much more do his followers need to pray for ourselves Davis shows that personal intercession is a necessity not a selfish act or a luxury and that it is also a learned skill Faith Set Free points readers to the Bible for pinpoint prayers anyone can pray In three sections Faith Set Free covers the invitation to pray for ourselves examples of pinpoint prayers from Scripture and the practices that enhance these prayers Enough Will Davis, Jr., 2012-07-01 The American way of life pushes people to constantly strive for more more money more stuff more clout But how much is enough And how do we know when we have too much of a good thing In this provocative paradigm shifting book Will Davis Jr challenges readers to discover the peace that comes through contentment with what we have and compassion for those in need Through surprising statistics scriptural insight and real life stories Davis gently leads readers to consider living with less in order to do more for the kingdom Thought provoking discussion questions and short chapters make this a perfect study for small groups No one will come away from this powerful book unchanged Trilogy on Faith and Happiness Saint Augustine (of Hippo), 2010-12-30 Augustine of Hippo one of the most prolific writers of late antiquity known primarily for four masterpieces The Confessions Teaching Christianity The City of God and The Trinity composed a vast body of work comprised of more than five million words He composed his earliest works in the form of dialogues shortly before his baptism in 387 The next decade of his life a relatively unproductive transitional period was followed by an explosion that averaged in modern terms a 300 page book per year This early trilogy The Happy Life The Advantage of Believing and Faith in the Unseen demonstrates Augustine's fundamental concern to link Christian faith with the human quest for happiness These three essential works which illustrate his dictum that faith is necessary for understanding constitute a magnificent introduction to Augustinian spirituality Trilogy on Faith and Happiness reveals Augustine's insight into fundamental existential questions and his conviction that human fulfillment can be found only in the incarnation of Jesus the Word and Wisdom of God It will prove especially useful for spiritual reading and for students of Christian spirituality **Serenity** Mike Shea, 2015-09-01 God wants to take us on a pilgrimage to a place where hopelessness is replaced by hope and death is traded for life In this 365 day devotional we read how words spoken from respect and wisdom darkness is exchanged for God's light depression is substituted for action and service and addiction is swapped for recovery We climb into Jesus lap to find rest and peace simply because we can The meditations are our story An imperfect journey by imperfect people into the loving arms of the Father We have been saved by the blood of Jesus and encouraged by the Holy Spirit to continue the recovery journey on his way not ours Serenity is possible because all things are possible for those who believe in Christ Jesus **The West Shore** , 1888
