Mystery and Suspense Writers Robin W. Winks, 1998 This volume contains bio critical information on popular writers of Bentley's miscellany ,1862 Twelve Englishmen of Mystery Earl F. Bargainnier, 1984 There are hundreds of satisfactory and satisfying British mystery writers whose works should be studied both for their own individual accomplishments and for their comments on the society in which they were published in the last 150 years but who have not received any critical comment lately This volume is designed to correct that fault in a dozen of those unjustifiably neglected British authors Wilkie Collins A E W Mason G K Chesterton H C Bailey Anthony Berkeley Cox Nicholas Blake Michael Gilbert Julian Symons Dick Francis Edmund Crispin H R F Keating and Simon Brett **The Sunday Morning Incident Rod** Kimmel, 2002-01-21 Marley Bishop just wants a simple life A job a roof over her head and a safe place for her dog Bentley When she's offered a second chance at the Hayden Island Future Fuel station she jumps at the opportunity But Marley soon finds herself caught in a dangerous web of drug trafficking money laundering and corporate greed that reaches far beyond the gas pumps As the body count rises and the stakes grow higher Marley must decide where her loyalties lie Can she escape the clutches of the cartel and protect those she loves Or will she become another victim another Sunday Morning incident Fans who enjoy crime fiction thrillers and stories about family dynamics business intrigue and social issues will find The Sunday Morning Incident hard to put down It's a gripping thriller that exposes the dark underbelly of the American Dream and will keep you on the edge of your seat until the very last page Overall The Sunday Morning Incident is a complex and thought provoking book that explores the dark side of the American Dream The book is a reminder that power corrupts and that even the best of intentions can be twisted However the book also offers hope suggesting that redemption is possible and that human connection can provide solace in a world that can be dark and dangerous Gotta tell ya I love this book Clever plotting and intricate mechanisms for the story to unfold Just a great well told yarn James Moore New York Times best selling **Sequels** Janet G.
