Family Assessment Handbook An Introductory Practice Guide To Family Assessment:

Family Assessment Handbook Barbara Thomlison, 2002 THE FAMILY ASSESSMENT HANDBOOK is a basic practice guide for social work students and beginning human service professionals of how to do a family assessment for case intervention. It is based on person environment or family systems theory drawing from evidence based research for guiding practice decisions. This practical book presents the interplay of social work concepts values and skill dilemmas presented using case studies from the author's practice experience. By developing a family journal students can apply family systems thinking theory and concepts. The book is conceptualized as three teaching and learning units. Part One addresses the family systems assessment model. Part Two focuses on self assessment and critical thinking through exploring the student's family system. Part Three includes four case studies.
