

The background of the entire cover is a photograph of a beach. In the foreground, there are several large, weathered pieces of driftwood scattered across the sand. The sand is a light tan color. In the background, the ocean is visible with gentle waves, and the sky is filled with soft, grey clouds. The overall mood is contemplative and serene.

Faithful Doubt , **The Goldilocks God** Guy Collins, 2022-08-22 The Goldilocks God Searching for the via media explores the fertile middle ground between toxic Christianity and militant atheism Can Christianity be intellectually credible Why do our past failures and breakages offer comfort and hope How does the via media of Anglicanism offer tactics for dealing with contemporary challenges and uncertainties Whether exploring mystic Hildegard von Bingen strategic thinker Queen Elizabeth or theologians Jean Luc Marion and Sarah Coakley readers venture into a Trinitarian Goldilocks zone of faith hope and love Guy Collins makes a creative and heartfelt case for a spiritual thermodynamics of trial and error promise and glory Illuminating ancient Christian practice with cutting edge philosophy and theology he reveals the lifelong habits that are just right for encountering the mystery of God *Agnosticism* Francis Fallon, Gavin Hyman, 2020 Agnosticism With Respect to God brings together leading philosophers considering the question of agnosticism an under explored area in philosophy and religious thought from both analytic and continental perspectives The book explores the various meanings of agnosticism in the twenty first century Faith as Life in the Spirit Aaron Gabriel Ross, 2025-06-26 This incisive work shows that faith does not need to be understood as what one believes does or feels when faith is understood as being in Christ by being in the Spirit The way in which Christians and Christian theology at least in Western traditions including the family of Pentecostals and renewal movements engages with the idea of faith has a problem faith is often defined as what people must do whether that is to believe in a list of doctrines to do good works or to love properly in order for God to respond with forgiveness and salvation However this work takes a new approach with a pneumatological trajectory in constructing a theology of faith understood as life in the Spirit overcoming a stalemated discussion on faith as belief versus works As such faith is being in Christ by being in the Spirit is the theological recognition that faith is first relationality to the Spirit by which a person is invited into life with Christ and the triune God Faith is not what one does beliefs works affections but rather what one is in relationality with the Spirit Beliefs works and affections are best understood as those things that are the outward expressions of the relationality rather than that which brings one into relationality with God **Outlaw Christian** Jacqueline A. Bussie, 2016-04-19 Winner of the 2017 Illumination Award Jacqueline Bussie knows that too many Christians live according to unspoken laws that govern the Christian life 1 Never get angry at God 2 Never doubt 3 Never question 4 Never tell your real story 5 Always speak in clichés about evil and suffering and 6 Always believe hope comes easy for those who truly love God Living according to these rules is killing real Christian life Outlaw Christian proposes a rebellious life giving authentic alternative Through captivating stories and with disarming honesty Bussie gives concrete practical strategies to help readers cultivate hope seek joy practice accompaniment compost their pain and rediscover the spiritual practice of lament Tackling difficult questions without political divisiveness Bussie speaks to both progressive and conservative Christians in ways that unite rather than divide And in doing so she provides a new way to handle the most
